

Aleutian Spray Fisheries/Starboats

Ruthie Anderson

Aleutian Spray Fisheries operates a fleet of fishing vessels that catch and process large quantities of high quality seafood products including Alaska Pollock, Pacific Cod, Opillio Crab and Alaska King Crab. The fishing fleet includes the at-sea processor Starbound and the mobile armada of freezer-long line and combination fishing vessels. While commercial fishing and seafood processing remain its core enterprises, the firm also engages in oceanographic research and shore based real estate development.
