

MAINE MARITIME ACADEMY

A College of Engineering, Management, Science, and Transportation

Part-Time Certified Athletic Trainer

POSITION OVERVIEW

Part-time athletic trainer to provide coverage for the Academy's 12 intercollegiate sports and club rugby teams. Working with a staff of two full-time personnel, the employee's time will be primarily spent providing pre and post practice treatment as well as practice and contest coverage. Work hours will occur primarily in late afternoon, evenings and some weekends. This is a temporary position between Mid-August and Mid-November, with an additional period beginning in March and running through April. The employee must be an ATC, licensed to work in Maine.

DUTIES

- Provide health care management of Maine Maritime Academy student athletes under the guidance of the Head Athletic Trainer.
- Provide pre-event and post-event health care assistance to home and visiting intercollegiate athletes.
- Provide appropriate medical coverage at assigned athletic contests and practices.
- Utilize appropriate medical supplies and equipment for assigned athletic practices, games and events.
- Assist the Head Athletic Trainer with pre-participation medical history screening on intercollegiate and club sports athletes.
- Provides best practice prevention, evaluation, management, treatment and rehabilitation services to intercollegiate and club sport athletes.
- Works in conjunction with Student Health Services (academy nurse, team physician, academy counselor, etc.), Head Athletic Trainer and Director of Student Life in providing appropriate medical care to student athletes and club sport participants where practical.
- Assists in the maintenance of current medical files and computerized records, pre-participation physical screenings, medical questionnaire updates, student athlete's health insurance coverage information and medical history updates of all student athletes.
- Consults with Head Athletic Trainer, coaches, club sport safety officers, athletics staff and student-athletes regarding the proper training techniques, nutrition, strength-training programs, risk management issues and injury prevention methods.
- Follows policies, procedures and protocols for athletic training services based on professional best practice standards, NCAA recommendations, team physician direction, departmental criteria and sport specific rules and regulations.
- Supervises student athletic training room workers as they conduct water and equipment set-up and break-down for practices and competitions and perform routine cleaning and maintenance duties.

This job description reflects the general duties of the job but is not a detailed description of all duties, which may be inherent to the position. The Academy may assign reasonably related additional duties to individual employees consistent with policy and collective bargaining agreements.
