NROTC PROGRAM

The Naval Reserve Officers Training Corps program at Maine Maritime Academy is for students wishing to complement their education with a training experience that will lead to a commission in the U. S. Navy or U. S. Marine Corps. Successful completion of the NROTC program leads to leadership positions in the Naval Service in Naval Aviation, Submarines, Surface Warfare, Navy Special Warfare/Operations, or Marine Corps specialties. The program is open to all eligible students. Application and selection are made at the NROTC Unit on campus.

NROTC ELIGIBILITY REQUIREMENTS

- U.S. citizen
- Sound character
- Meet physical requirements
- At least 17 years old at time of enrollment
- Under 27 years old at commissioning

SCHOLARSHIP OPPORTUNITIES

Apply for 4 year scholarship at <https://www.nrotc.navy.mil>. Current non-scholarship students can apply for a 2-3 year scholarship. Consideration for the 2-3 year scholarship is based on academic performance, participation and performance in NROTC, physical readiness, achievements in extracurricular activities, and the recommendation of the Professor of Naval Science. All Scholarships include:

- Full tuition and fees
- \$375 per semester for textbooks
- Monthly allowance for expenses:
Freshmen \$250, Sophomores \$300,
Juniors \$350, Seniors \$400

ALL STUDENT BENEFITS

- Commission in the Navy or Marine Corps
- Required uniforms furnished
- Participate in the NROTC Battalion
- Naval Science textbooks provided

NROTC MIDSHIPMEN BATTALION ACTIVITIES

- Drill Team
- Color Guard
- Field Trips to Naval Stations and NROTC Unit campuses
- Awards Banquet
- Naval Service Ball
- Tutoring Program
- Intramural/Intercollegiate Athletics

REQUIREMENTS

- Completion of a minor in Naval Science
- Attend weekly leadership class
- Summer training sessions
- Pass a semiannual Physical Readiness Test (PRT)
- Five years active duty (minimum)
