

**Maine Maritime Academy**

***Consent and Use Permission Form***

I understand that Maine Maritime Academy is running a photo contest during the summer of 2016 and that the photos submitted for this contest may be used to promote the Academy, shared via social media outlets and the college website, and/or printed and displayed on campus. I have agreed to participate in the photo contest as a subject of a photo. In consideration for that opportunity to so participate, I hereby grant the Academy and its agents the right to my picture, silhouette, and other reproductions of my likeness, in any connection with an exhibition through social media or otherwise in which the same may be used or incorporated into print materials or website use. I release the Academy from any and all actions, claims, and demands which I might have in connection with the lawful use of such photos.
