

# Maine Maritime Academy Annual Giving Report 2008-2009

It is with tremendous gratitude that we present this year's annual report of giving to Maine Maritime Academy. This economic climate is perhaps the most challenging that many of us have ever experienced. Yet, the people who care about MMA have not wavered in their loyalty and support. With your help MMA will enter the new Academic year on solid ground.

I'd like to offer particular thanks to those who maintained past giving levels this year, to those who could not do that, but still stretched to give generously, and to those who made a gift for the first time ever. Every gift of every size is a voice of support for Maine Maritime Academy. Thank you for your help now and in the future from a very grateful MMA.

Sincerely,

Ellie Courtemanche  
Vice President of Advancement

## Alumni Class Giving

Maine Maritime Academy thanks all alumni who gave to the Academy in fiscal year 2009 (July 1, 2008 to June 30, 2009). Your support of MMA in its mission is deeply appreciated.

## Gifts of Time and Skill: MMA Volunteers

MMA is grateful to the many volunteers who generously gave their time, energy and talent to support the Academy over the past year. Volunteers organized and served on committees, planned events, served as speakers on campus, testified on behalf of the Academy before lawmakers in Augusta, hosted our training ship and students in ports of call and enriched the life of the Academy in many different ways. They represented the Academy throughout the country and overseas and helped bind together alumni, parents and friends. We would like to offer our warmest thanks to the many people who did volunteer work during this past fiscal year.

## McNeilly/Famulari Society

We are pleased to announce a new giving society to recognize the dedicated alumni, parents and friends of MMA who lend their support to MMA year after year. The McNeilly/Famulari Society is named in honor of Alvin McNeilly and Frank Famulari '67, our two longest-giving donors. Mr. McNeilly has made a contribution to MMA every year since 1985. Mr. Famulari has been contributed each consecutive year since 1986. Those who give each and every year provide the stability that allows MMA to continue to grow from strength to strength – even in difficult financial times. The McNeilly/Famulari Society recognizes those who have supported MMA for at least five consecutive years. Membership will extend for each year of continued giving.
