MAINE MARITIME ACADEMY
A College of Engineering, Management, Science and Transportation

Maine Maritime Academy currently seeks to fill the following position:

ASSISTANT PROFESSOR OF MARINE TRANSPORTATION

The successful candidate should be well versed and experienced in modern and traditional seafaring and ship operation skills. A current USCG unlimited deck officer’s license with all pertinent STCW certifications is preferred. An advanced degree in a related field, command experience and teaching proficiency are all highly desirable. This position will require teaching in the classroom, and aboard the various MMA vessels, including an annual training cruise aboard the T/V State of Maine. Participation in the faculty governance process and assignment to various college committees is also expected. Participation in MMA’s random drug testing program is required.

Applicants must submit (1) a cover letter that highlights their qualifications for the position, teaching interests and experience, and scholarly interests and experience; (2) a current curriculum vita; (3) names and contact information (mailing address, phone number and email address) for three professional references. Prior to consideration by a supervisor or selection committee an original, Maine Maritime Academy application must be submitted to the MMA Human Resources Office at

Director of Human Resources ~ Box C – 3 ~ Castine, ME  04420

Successful candidates may be subject to a background investigation appropriate to the position offered. For complete job listings and an online application form, go to http://mainemaritime.edu/about-mma/employment-at-mma/. MMA is an EOE; Women and minorities are particularly encouraged to apply.
