MESSAGE FROM THE DIRECTOR OF CAMPUS SAFETY

Welcome to Maine Maritime Academy. MMA is located in the quiet New England town of Castine with a population of approximately 1300 residents. Castine is a safe and close-knit community and we value our strong town-grown connections. Although our community has a relatively low crime rate, we are not insulated from criminal activity or emergency situations. We encourage the MMA community to partner with Department of Campus Safety in identifying and reporting potential risks or suspicious activities.

The Annual Security and Fire Safety Report, is prepared and published by the Director of Campus Safety, the Dean of Student Services and the Vice President for Student Affairs and Enrollment Management to comply with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, "The Clery Act", which requires higher education institutions to report the past three years of campus crime and fire safety statistics. This report communicates established policies, procedures and educational programs related to preventing and reporting crime, maintaining publicly available crime and fire logs, and establishing emergency communication procedures with the campus community regarding threats to students, faculty and staff.

As the Director of Campus Safety, I have been empowered to create and promote a culture of shared responsibility in achieving a safe and secure campus environment for all members of our community. Our collective efforts as a community will foster a safer campus environment where we can work, study and live. The Department of Campus Safety operates 24 hours a day, seven days a week and is responsible for the following areas:

- Emergency planning and response
- Security operations
- Employee and student health and safety
- Parking management and enforcement

In addition to working closely with students, faculty, staff, and visitors to ensure a safe and secure campus, we regularly interact with the Town of Castine, the Hancock County Sheriff's Office, and the Maine State Police to provide comprehensive emergency services to our community. Several of our students, faculty and staff serve on the Castine Fire Rescue Department as volunteer emergency medical responders and/or fire fighters who respond to emergency situations within the Castine community. Maintaining a safe campus environment is a community effort requiring support from all members.

I strongly encourage you to keep this information in a convenient location, as it may be helpful throughout the academic year. If you have any questions or concerns, please contact me by phone or e-mail.

Sincerely,

A handwritten signature in black ink that reads "Peter Stewart". The signature is fluid and cursive, with a long horizontal stroke at the end.

ABOUT CAMPUS SAFETY

The Department of Campus Safety provides continuous year round security and emergency service to the academy community, and also provides twenty-four hour patrol service of campus buildings, parking lots, and other academy grounds, with access to local, county and state emergency services. Maine Maritime Academy faculty, staff, and students can reach a Campus Safety Officer 24 hours a day by day by dialing extension 2479 on campus and 207-326-2479 off campus or via cell phone. Campus Safety also is responsible for monitoring of campus-wide fire alarms, security cameras, energy management system alarms and building access. Upon receiving a report of criminal activity on campus, the Campus Safety department will immediately respond.

Maine Maritime Academy Campus Safety Officers respond to and investigate reported incidents and emergency situations. Campus Safety Officers have the authority to ask for identification and determine whether individuals have lawful business at Maine Maritime Academy. Maine Maritime Academy Campus Safety Officers have the authority to issue parking tickets. Campus Safety Officers are not sworn police officers and do not possess arrest powers. Criminal incidents are referred to Hancock County Sheriff's Office or the Maine State Police. In addition, the Hancock County Sheriff's Office, the Maine State Police, and the Hancock County Sheriff's Alcohol Task Force alert Campus Safety if Maine Maritime Academy students are involved in off-campus incidents in the local area. While the Academy does not currently have a written memo of understanding with these law enforcement agencies, Campus Safety does have direct radio contact with the Sheriff's department, and the two departments are in frequent communication. Campus Safety and Campus Safety Authorities encourage students to report crimes to the Sheriff's Office or State Police and will assist students in making such reports. If a victim is unable to report a crime, or in instances where an on-going threat remains for the campus community, Campus Safety will contact the Sheriff's Office to report the crime.

Maine Maritime Academy has memos of understanding with the Town of Castine for sheltering in place, and is able to use other buildings in town as needed in emergency situations.

Maine Maritime Academy does not have any non-campus locations of student organizations that are officially recognized by the institution.

REPORTING CRIMES

Members of Maine Maritime Academy are strongly encouraged to immediately report a crime, suspicious activity, or an emergency situation to campus safety. Prompt reporting will assure timely warning notices on-campus and timely disclosure of crime statistics. The honor system of Maine Maritime Academy also requires all the students to report crimes as well as violations of honor system.

Crimes can be reported by contacting Campus Safety directly by calling 207-326-2479 (on campus extension 2479) or going to the Campus Safety office located in Windlass House during business hours Monday – Friday, 7:00 am-3:30 pm. Crimes may also be reported by calling 911 or contacting the Hancock County Sheriff Office at (207) 667-7575 or Maine State Police at (207) 973-3700. Upon receiving a report of a crime, suspicious activity, or emergency situation, Campus Safety personnel is dispatched to investigate and will contact the Hancock County Sheriff or Maine State Police for additional assistance as needed.

Students may also report incidents to a Campus Safety Authority. A Campus Safety Authority is any individual or individuals who have responsibility for campus safety or who have significant responsibilities for students and campus activities but who do not work for the campus safety department. This includes officials of the academy who have significant responsibility for student discipline and campus judicial proceedings. A list of Campus Safety Authority is included in Appendix C. Campus Safety Authorities participate in annual training regarding their responsibilities. Pastoral and professional counselors on campus are not considered Campus Safety Authorities, but are encouraged to provide students receiving counseling with contact information to report crimes, if, in their professional judgment, it would be appropriate for the student to do so. Confidential options to report crimes are discussed with students. Though not required to do so, the Academy includes statistics from the counseling center regarding sexual assaults and domestic violence, after confirming that such statistics have not already been included in the report. The counseling staff will also alert the Dean of Student Services or Campus Safety if they perceive that a student in counseling presents a threat to self or others. A **professional counselor** is defined by the U.S Department of Education as “a person whose official responsibilities include [providing mental health counseling to members of the academy’s community and who is functioning within the scope of his/her license/certification.” **Pastoral counselors** are defined by the U.S Department of Education as “persons who are associated with religious order or denomination, are recognized by that religious order or denomination as someone who provides confidential counseling, and are functioning within the scope of that recognition as pastoral counselor.” The Academy does not currently have a pastoral counselor on staff.

Maine Maritime Academy will, upon written request, disclose to the alleged victim of a crime of violence or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by the Academy against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph. The Academy is required to provide both the accused and the accuser with simultaneous written notification of any result of any institutional disciplinary proceeding that arises from an allegation of dating violence, domestic violence, sexual assault or stalking. In these cases, it is not necessary for a victim to make a written request.

The preparation of this report on campus crime statistics on annual basis involves coordination among the department of Campus Safety, the office of the Dean of Student Services, the Maine State Police, and the Hancock County Sheriff’s Office. In addition, Campus Safety Authorities are required annually to confirm that all Clery-reportable crimes (described in the definitions section on page 20) reported to them have also been reported to Campus Safety or the Dean of Student Services. Statistics on crimes

reported to the Hancock County Sheriff's Office or Maine State Police which occurred on campus, at non-campus properties, and on public property adjacent to campus are included in this crime report. In 2016, after the publication of the New Handbook for Campus Safety and Security Reporting was published, the College began to inventory non-campus properties used by the Academy repeatedly for school-sponsored trips and requested crime statistics for these locations on the dates of use in 2016 from local police authorities in those locations. Any information provided by these police authorities in time for publication of the report is included in the crime statistics for the 2016 calendar year. In addition to this annual report, Campus Safety maintains a daily crime log describing reported incidents. A copy of the daily log may be obtained at the Campus Safety Department.

The report is emailed annually to all current students, faculty and staff of Maine Maritime Academy on October 1st. This report is maintained on the Maine Maritime Academy website at <http://mainemaritime.edu/campus-safety/clery/> and hard copies are available upon request to the Campus Safety Department in Windlass House. All current and prospective employees may request a hard copy through Human Resources in Levitt Hall.

ADDITIONAL CONFIDENTIAL REPORTING OPTIONS

If you are a victim of a crime or a witness to a crime, and do not want to pursue action within the Maine Maritime Academy system or the criminal justice system, you may still want to consider making a confidential report. The purpose of a confidential report is to comply with your wish to keep the matter private, while taking steps to ensure the future safety of the community. With such information, the academy can keep an accurate record of the number of incidents involving students, determine where is the pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crime statistics for Maine Maritime Academy. To file an anonymous/confidential report, call Campus Safety at 326-2479. Please be aware, however, that if the information provided in an anonymous or confidential report is too limited, the Academy may not be able to take action to respond to such report. Procedures regarding confidential reporting of sexual misconduct are described under the section PREVENTING AND RESPONDING TO INCIDENCES OF SEXUAL MISCONDUCT AND DOMESTIC VIOLENCE/STALKING on page 8.

TIMELY WARNINGS

In compliance with the Jeanne Clery Disclosure of Campus Safety Policy and Campus Crime Statistics Act (Clery Act), the Maine Maritime Academy Campus Safety Department will issue timely warnings for the Academy community to notify members of the community about serious crimes that occur on campus. Having knowledge of such crimes will assist community members in making informed decisions about their personal safety and in preventing similar crimes from occurring. Unless specific instructions have been issued regarding an on-going investigation and response by local law enforcement, a timely warning will generally include information about the crime that triggered the warning and information to promote safety and prevention of future crimes.

The decision to issue a timely warning will be decided by the Director of Campus Safety or designee on case-by-case basis in compliance with the Clery Act. All available facts will be considered including whether the crime is believed to be serious or presents a continuing threat to the students or employees and the possible risk of compromising law enforcement efforts. A timely warning and updates may be distributed to the campus through any one or more of the following mechanisms:

- **MMA Alert:** (powered by e2campus) a free service that enables MMA officials to send a brief message alerting the community regarding an urgent situation or emergency on the campus directly to registered email account(s) or mobile device via SMS text messages. MMA students, faculty, staff, and affiliates can sign up to receive alerts through the campus website at <https://e2campus.mma.edu>. E2Campus alerts are additionally displayed on all pages of mainemaritime.edu, my.mma.edu, and as a push notification and banner on the [Maine Maritime Academy Mobile App](#).
- **Directed Communications/Blast Email:** MMA email system alerting students, faculty, and staff.
- **Flyers:** posted on bulletin boards in academic buildings, residence hall, and administrative buildings.
- **MMA website:** www.mainemaritime.edu
 - **In the event of an emergency on campus,** the college emergency website will be activated and can be accessed at: <https://mainemaritime.edu/campus-safety/emergency/>
- **Local area radio and television stations** are most often used to announce closings and delayed starts.

The Maine Maritime Academy Campus Safety department may also issue safety alerts to apprise the MMA community of safety issues and concerns. These “Safety Alerts” may include safety tips and recommendations to follow so that the MMA community can make informed decisions about personal safety.

SECURITY AND ACCESS TO CAMPUS FACILITIES

Campus Safety Officers consistently patrol campus on foot and in a vehicle at random times during the day-time and evening hours seven days a week. Included in these patrols, officers will ensure campus buildings are secured according to the hours of use throughout the year. Officers ensure exterior doors and windows are secured, then conduct an internal inspection to verify the doors to sensitive areas are locked to prevent unauthorized access. Motion-activated cameras monitor access points and the key areas on campus. Recorded activity is stored for up to 28 days and can be reviewed to assist in investigations of crimes or incidents. During patrol rounds, Campus Safety Officers also monitor exterior and interior lighting and address any safety issues which are noted on these rounds.

In 2014, Maine Maritime Academy upgraded the security systems for Curtis Hall, the primary residence hall on campus. Proximity card readers, door-prop alarms and motion activated cameras have been installed at each entrance providing secured access to this residence hall. Residents of Curtis Hall may use their ID cards to grant them access to the building through all exterior doors from 6:00 am – 11:00 pm Monday-Friday and 8:00 am -11:00 pm Saturday-Sunday. After 11:00 pm, their ID cards grant them access to Curtis Hall through the main entrance only. The Curtis Hall front desk is located at the main entrance of the building and is staffed by Residential Life personnel seven days a week during the academic year. The Curtis Hall front desk is staffed Monday-Friday 8:00 am – 1:00 am and Saturday and Sunday from 8:30 am – 1:00 am. All other MMA students are given access to Curtis Hall during regular business hours, Monday-Friday from 8:30 am – 4:30 pm through the main entrance only. Employees who have an office in Curtis Hall, provide a service to the residents or have legitimate business needs are given access to the building through their ID card. All other employees are given access to Curtis Hall through the main entrance during normal business hours.

In the summer of 2015, Maine Maritime Academy added proximity card readers and door-prop alarms at each entrance to both Commons apartment-style residential buildings. The exterior doors are locked twenty four hours a day, seven days a week. Only students living in these buildings and certain MMA employees have access to these buildings through their MMA ID card. In the summer of 2016, additional proximity card readers were added to the Alford Student Center so students could have access to common areas after hours and on-weekends. Certain employees with a need to access these areas also have card access during these times.

The Maine Maritime Academy Waterfront Campus and dock are also monitored by a surveillance camera and routinely patrolled by a Campus Safety Officer. The Training Ship State of Maine is subject to stringent access control policies established by the Maritime Administration. Watch Standers on duty prevent unauthorized individuals from boarding the vessel.

ALCOHOL AND DRUG POLICIES

The Maine Maritime Academy policies regarding alcohol and other drugs, included in Appendix A, are designed to enhance and protect the students, the mission of the institution, and the quality of the learning environment. The abuse or illegal use of alcohol or drugs by members of the Academy community is contrary to the intellectual and educational purpose for which the Academy exists.

Students, faculty, staff, administrators, and guests are expected to adhere to Federal regulations and Maine state laws, as well as the Academy regulations regarding the use of alcohol and drugs. While the state of Maine allows medical marijuana use and recently decriminalized recreational marijuana use, federal law continues to designate such possession and use as crimes under federal law. For example, the Controlled Substances Act criminalizes marijuana; the Drug-Free Schools and Communities Act prohibits marijuana in schools; the Drug-Free Workplace Act prohibits marijuana in the workplace; and various federal safety regulations require the Academy to conduct certain drug-testing for use of marijuana and other illegal drugs.

Despite the changes in state law, the Academy remains subject to these requirements under federal law. As a result, the Academy continues to prohibit the possession and/or use of marijuana as set forth in the Academy's Drug Policy, included in Appendix A. These restrictions include, but are not limited to, prohibiting marijuana (medical or other) possession and/or use across the entire campus, including all open areas and buildings (including residence halls).

Any member of the Academy community, who through their use or abuse of alcohol or drugs presents a danger to themselves or others, or otherwise interferes with the mission or reputation of the Academy, will be held accountable for their actions. Any disciplinary action taken will be in accordance with the procedures outlined in the Alcohol and Drug Policies and the Student Honor Code of Conduct and Responsibilities. In addition, those persons studying in Coast Guard license programs are also accountable to the US Coast Guard concerning the use or abuse of alcohol or drugs. Educational programs are provided to new students during orientation to educate them about the alcohol and drug policy, the effects of alcohol and drugs, the laws and campus policies regarding alcohol and drug use, and the legal consequences for illegal alcohol and other drug use. New students are required to participate in the AlcoholEdu on-line education program. In addition, during the fall semester new students are required to attend a presentation by a speaker focusing on alcohol abuse prevention or risky behaviors involving alcohol. Upper-class students are also invited to attend this speaker. A particular emphasis is placed on prevention of high risk behavior such as driving while intoxicated as well as the role alcohol often plays in incidences of sexual misconduct. During Parent Orientation, Academy administrators thoroughly review the alcohol and drug policies with parents and suggest

strategies parents can employ to make expectations clear to their students regarding alcohol use and abuse.

Academy Drug Policy

Maine Maritime Academy has a “zero tolerance” drug policy, included in Appendix A, and therefore prohibits its students and employees from possession, use or distribution of drugs or drug paraphernalia on campus. Drugs are considered to be any mind-altering substances, regardless of legality, including, but not limited to, opiates, barbiturates, amphetamines, marijuana, hallucinogens, “designer drugs,” and illegal steroids, except for legally authorized doses for medical purposes. Drug paraphernalia is any item which could be used in the possession, use, or distribution of such aforementioned drugs. In addition, the presence and use of any of these substances and items within the Academy community is contrary to the intellectual and educational purposes for which the Academy exists.

The Academy considers any violation of the drug policy a serious matter and reserves the right to take action appropriate to the circumstances of each case. Action taken by the Academy in all cases of drug violation will be guided by a concern both for the emotional and physical welfare of the person involved and for the maintenance of a suitable educational environment for all members of the Academy.

Drug Testing

The majority of Maine Maritime Academy students are required to participate in a random urinalysis program during their enrollment. All students who act as part of the crew of any MMA vessel, transport students in MMA vehicles, and/or pursue MMA co-ops must participate in the random and pre-employment drug testing program. Additionally, any students who are in a probationary disciplinary status due to violations of the drug/alcohol policies may be subject to increased drug testing. In addition, the Academy administers a drug-testing program for certain categories of employees: the U.S. Coast Guard’s Drug and Alcohol Testing Program is a means to deter the illegal use of controlled substances by merchant marine personnel and to promote a drug-free and safe work environment for the safe passage of embarked passengers and for carriage of cargo on U.S. waterways. The Training Ships are required by law to be operated by a USCG licensed or documented mariner. Personnel operating these vessels are subject to drug testing. The program serves as a strong deterrent to the illegal use of controlled substances by covered crewmembers/employees, and promotes a safe, drug-free workplace.

Students who test positive for marijuana who possess a Maine state-issued medical marijuana card and who are not enrolled in a Coast Guard License Program and/or who are not operating boats or other college equipment may be exempt from the disciplinary sanctions otherwise imposed on those who test positive for marijuana. However, such students may not be able to complete a required co-op or internship and therefore risk being unable to complete graduation requirements.

DRUG FREE SCHOOLS AND COMMUNITIES ACT

Federal regulations require each institution of higher education to certify it has adopted and implemented a program to prevent the unlawful possession, use, or distribution of illicit drugs and alcohol by students and employees. A key component of compliance with these regulations is an annual notification to the members of the MMA community. This communication must include the college policies regarding drugs and alcohol, information about state and federal laws and sanctions regarding alcohol and drugs, and resources to assist those who wish to address substance abuse issues. This communication is included in Appendix E.

In compliance with the Drug-Free Schools and Communities Act, the Academy has implemented a program to prevent the illicit use of drugs and the abuse of alcohol by students and employees. The program includes annual distribution of information to students and employees concerning the possession, use, or distribution of alcohol and illicit drugs at the college. Please note that the state of Maine has not completed the process of updating penalties for use of marijuana after laws regarding decriminalization of possession of small amounts of marijuana and thus we cannot yet update the penalties portion of the notice. The Academy also conducts a Biennial Review of Compliance with this act; copies of the most recent review are available from Dean of Student Services Deidra Davis at deidra.davis@mma.edu.

The MMA policies regarding Drugs and Alcohol are posted on the portal and are distributed annually to each staff member and student as follows:

1. The Annual Security Report, mandated as part of the Clery Act, includes the MMA Drug and Alcohol policies and is emailed by October 1st to all students and employees.
2. Students are advised of the Academy's Alcohol and Drug Policies during New Student Orientation and are directed to the policy section of the portal for further information.
3. Via an annual communication included in Appendix E.

MMA utilizes a four part framework to address alcohol and other drug use by implementing the following strategies: Policy, Enforcement, Education and Intervention. These strategies are described in Appendix E.

PREVENTING AND RESPONDING TO INCIDENCES OF SEXUAL MISCONDUCT AND DOMESTIC VIOLENCE/STALKING

Sexual misconduct, dating violence, domestic violence and stalking are strictly prohibited at MMA, as is explicitly stated in both the Student Honor Code of Conduct and Responsibilities (Appendix D) and the policy prohibiting Sexual Misconduct and Sexual Assault (Appendix B). "Dating Violence" is not defined as a crime *per se* under Maine State Law; however, incidents of dating violence are prohibited under Maine statutes prohibiting assault and domestic violence and dating violence is prohibited under the MMA Student Honor Code. MMA employs several strategies to educate the campus community about the issue of sexual misconduct and violence on college campuses, the Maine laws and MMA policies prohibiting sexual misconduct and domestic violence, grievance procedures, and the rights of students and the obligations of the Academy under Title IX, as well as steps students, faculty and staff can take to reduce the incidence of sexual misconduct and domestic violence in our campus community.

The Academy defines reliable consent for sexual activity in the policy and in training programs as follows: **Reliable Consent** means a person's –

- a) Voluntary agreement;
- b) Communicated by words;
- c) At the time of the sexual activity;
- d) To engage in each of the sexual activities at issue in a given case. Such agreement must be expressly requested and, if given, expressly stated. Current agreement must not be assumed or inferred from previous instances when reliable consent was given by the Complainant. Agreement from a person who is visibly intoxicated or otherwise impaired shall not be regarded as reliable consent. Agreement to engage in one sexual activity (such as a

touching) is not agreement to engage in a different sexual activity (such as an act). Agreement can be withdrawn at any time and, if so withdrawn, the sexual activity shall stop.

All first year students participate in two mandatory orientation programs and the on-line HAVEN program offered by EverFi – these programs are designed to educate students about sexual misconduct and domestic violence, MMA policies and Maine laws, and the grievance process, as well as training on safe and effective bystander intervention strategies. An orientation program for graduate students on Title IX is held at the start of fall classes. The educational program SEX SIGNALS, an interactive program to educate about gender roles, sexual misconduct, domestic violence, and bystander intervention was required for first year students and open to all students in fall of 2016. A Title IX informational brochure was distributed to all faculty, staff and students beginning in fall of 2014 and is distributed to all new students and faculty/staff upon their arrival. A session during Parent Orientation in the summer provides an overview of the Academy’s Sexual Misconduct Policy and Title IX obligations in addition to information about sexual assault on college campuses. Parents are given tools to have conversations with their students regarding their expectations of behavior.

Title IX and VAWA training sessions were conducted with all faculty, and staff/student-staff considered “responsible parties” during the academic year 2013-2014, with follow up trainings for faculty, residence life staff, campus safety staff, and athletic coaches annually. New employees also participate in a Title IX/VAWA training session with the Title IX Coordinator or view an informational video.

The MMA policy prohibiting Sexual Misconduct, including Domestic Violence and Stalking, is included in Appendix B and describes in detail procedures for filing a grievance and the investigation and judicial procedures the Academy will undertake upon receipt of a grievance. Among the options offered to students reporting incidents of sexual misconduct and domestic violence is assistance in notifying local police authorities, should the victim wish to report the crime to police and/or pursue legal action. Information and assistance in receiving on- and off-campus counseling and medical attention is available to students 24 hours a day through Campus Safety and the Academy Title IX Coordinator. Further information regarding judicial proceedings, possible sanctions, and appeal processes is also provided in the Student Honor Code of Conduct and Responsibilities.

SEX OFFENDER REGISTRY WEBSITE

The Academy is required to provide community members with a means to request information regarding registered sex offenders in the town of Castine. The Maine Sex Offender Registry can be accessed through the website: <http://sor.informe.org/cgi-bin/sor/index.pl>

GENERAL EMERGENCY AND EVACUATION PROCEDURES

Maine Maritime Academy has created an Emergency Action Plan to communicate the immediate actions to be taken by employees, students and visitors during an emergency event. These actions are designed to save lives, minimize loss and assist emergency responders when dealing with a serious threat, hazard or emergency situation. Members of the MMA community all have a responsibility to know how to respond in an emergency. By knowing one’s surroundings, identifying evacuation routes, and becoming familiar with this plan, MMA employees, students and visitors are better prepared to appropriately respond when emergency conditions arise. The MMA Emergency Action Plan establishes actions that need to be taken for the following events: Active Shooter, Bomb Threat, Building Fire, Medical Emergency, Chemical Spill, Power Outage, and Riot or Public Disturbance. EAP training and written plans of the Emergency Action Plan are available to all Maine Maritime Academy employees and students.

Questions regarding the Maine Maritime Academy Emergency Action Plan should be directed to the Director of Campus Safety at 207-326-2479.

REPORTING AN EMERGENCY

In the case of a campus emergency, assistance can be requested by contacting Campus Safety at 207-326-2479, x2479, or using an autodial campus safety phone. The Department of Campus Safety has a 24-hour, seven-days-a-week presence on campus and is trained to respond to emergencies. When reporting an emergency, Campus Safety personnel will request your name, location, and the nature of the emergency. Be prepared to answer any questions they may have. Campus Safety personnel will assess the situation and request additional emergency responders as needed.

During an emergency or urgent situation, Campus Safety or a member of the Crisis Management Team may be required to quickly communicate with the campus community. This is accomplished through MMA-Alert (E2Campus), our emergency notification system that enables academy officials to send urgent news and instant alerts directly to registered email account(s) and mobile devices via SMS text messages. Additionally, employees and students can receive information regarding the status of an emergency by visiting the Campus Safety Emergency Information website which is activated during an emergency. This page is located at: <http://mainemaritime.edu/campus-safety/emergency>.

MISSING STUDENT PROCEDURE

Missing Student Notification Policy and Procedure 20 USC1092 (j) (Section 488 of the Higher Education Opportunity Act of 2008)

Any institution participating in a Title IV federal student financial aid program that maintains on campus housing facilities must establish a missing student notification policy and related procedures for those students who live in campus housing and who have been missing for 24 hours.

For purposes of this policy, a student shall be considered missing if a roommate, classmate, faculty member, family member or other campus person has not seen the student in a reasonable amount of time, reports the pertinent facts to the Maine Maritime Academy Campus Safety and if after investigation the Maine Maritime Academy Campus Safety determines that the student has been missing for more than 24 hours. A reasonable amount of time may vary with the time of day and information available regarding the missing person's daily schedule, habits, punctuality, and reliability. Individuals may be considered missing immediately, if their absence has occurred under circumstances that are suspicious or cause concerns for their safety. If the initial report that a person is missing is made to a Maine Maritime Academy department other than the Campus Safety Department, the Maine Maritime employee receiving the report shall contact the Campus Safety Department immediately. Campus Safety will notify local authorities as well as attempt to contact the student's designated emergency contact as described below.

Procedure: Procedures for designation of emergency contact information

- A. Students age 18 and above and emancipated minors:
Students living on campus shall be given notice of this policy and are asked during the pre-enrollment period to designate an individual or individuals to be contacted by the Academy "in case of an emergency". Contact information shall be registered confidentially, shall be accessible only to authorized campus officials, and may only be disclosed to law enforcement personnel in furtherance of a missing person investigation. In the event that a student is reported missing, the Maine Maritime Academy Campus Safety Department or their designee shall attempt to contact his/her emergency designee not more than 24 hours after the time that the student is determined to be missing in accordance with the notification procedures set forth below. An emergency contact designee shall remain in effect until changed or revoked by the student using the About Me tab on the student portal.
- B. Students under the age of 18:
In the event a student living on campus who is not emancipated is determined to be missing pursuant to the procedures set forth below, the Academy shall (is required to) notify a custodial parent or guardian no more than 24 hours after the student is determined to be missing.

Official notification procedures for missing persons

- A. Any faculty, staff or student who has information that a residential student may be a missing person must notify the Maine Maritime Academy Campus Safety Department as soon as possible and no later than the 24 hours after they determine a student may be missing. Campus Safety or their designee shall also follow up on notification by other individuals such as friends or family members.
- B. The Maine Maritime Academy Campus Safety Department shall gather information about the residential student from the reporting person and from the student's acquaintances (including, by way of example, description, clothes last worn, where student might be, who student might be with, vehicle description, information about the physical and mental well-being of the student, an up-to-date photograph, class schedule, etc.). Appropriate campus faculty and/or staff shall be notified to aid in the search for the student.

- C. No later than 24 hours after determining that a residential student is missing, the Maine Maritime Academy Campus Safety Department or their designee shall notify the emergency contact* (for students 18 and over) or the parent/guardian (for students under the age of 18) that the student is believed to be missing.

*Contact is contingent upon the correct emergency contact information being made available by the student.

Campus communications about missing students

In all cases when the student is declared missing by the Maine Maritime Academy Campus Safety Department after an initial investigation and in consultation with other law enforcement agencies as appropriate, MMA Campus Safety will coordinate with the Office of College Relations to provide information to the media that is designed to obtain public assistance in the search for any missing student. This coordination will insure that investigations are not impeded by the release of information.

JUDICIAL PROCESS

The Student Honor Code of Conduct and Responsibilities, included in Appendix D, outlines the judicial process for adjudicating all violations of college policies and the honor code, including possible sanctions and the appeals process. While in general, judicial action is part of a student's educational record and therefore subject to FERPA regulations for privacy of student records, the Academy will comply with a written request from an alleged victim of a crime of violence (as defined in Section 16 of Title 81, United State Code) or a non-forcible sex offense for a copy of the report on the results of any disciplinary proceedings conducted by the Academy against a student who is the alleged perpetrator. Should the alleged victim be deceased, the next of kin of such victim may request the written report. Complainants in cases involving sexual misconduct have specific rights regarding notification of outcomes of hearings, as detailed in the Policy Prohibiting Sexual Misconduct in Appendix B.

FIRE SAFETY REPORT

The Higher Education Opportunity Act (HEOA) requires all institutions of higher education that provide residential housing facilities for students to develop an annual fire safety report. Contents of this report reflect the requirements outlined in HEOA, which include: fire prevention policies and practices; fire safety educational and training initiatives, description of fire protection equipment in the residence halls, emergency evacuation procedures; fire safety statistics; and plans for future improvements to the residence hall campus fire safety program. The fire safety report summarizes the elements of the campus fire safety program, which is administered and maintained by Campus Safety, Facilities, and Residential Life.

DEFINITIONS:

Cause of Fire – The factor or factors that give rise to a fire. The causal factor may be, but is not limited to, the result of an intentional or unintentional action, mechanical failure or act of nature.

Fire – Any instance of open flame or other burning in a place not intended to contain the burning or in an uncontrolled manner.

Fire drill – A supervised practice of a mandatory evacuation of a building for a fire.

Fire-related injury – Any instance in which a person is injured as a result of a fire, including an injury sustained from a natural or accidental cause; while involved in fire control, attempting rescue, or escaping from the dangers of the fire. The term person may include students, employees, visitors, firefighters, or any other individuals.

Fire-related death – Any instance in which a person is killed as a result of a fire, including death resulting from a natural or accidental cause while involved in fire control, attempting rescue, or escaping from the dangers of a fire; or dies within one year of injuries sustained as a result of the fire.

Fire safety system – Any mechanism or system related to the detection of a fire, the warning resulting from a fire, or the control of a fire. This may include sprinkler systems or other fire extinguishing systems; fire detection devices; stand-alone smoke alarms; devices that alert one to the presence of a fire, such as horns, bells, or strobe lights; smoke-control and reduction mechanisms; and fire doors and walls that reduce the spread of a fire.

Value of Property Damage – The estimated value of the loss of the structure and contents, in terms of the cost of replacement in like kind and quantity. This estimate should include contents damaged by fire, and related damages caused by smoke, water, and overhaul; however, it does not include indirect loss, such as business interruption.

Summary of Fire Protection Systems in the Residence Halls

Residential Facility	Fire Alarm System	Sprinkler System	Fire Extinguishers	Evacuation Plan	Number of Evacuation Drills per Academic Year
Curtis Hall	Yes	Complete System	Yes	Yes	1
The Commons	Yes	Complete System	Yes	Yes	1
Training Ship, State of Maine	Yes	Partial System	Yes	Yes	2*

*A total of 10 evacuation drills were conducted on the TSSoM in the winter and summer in preparation for cruises as well as the two conducted in the fall when students lived on the ship while docked to prepare for cruise.

CRIME PREVENTION AND EDUCATIONAL PROGRAMMING

The Academy is committed to educating students and employees about crime prevention. While the town of Castine and its surrounding communities enjoy very low rates of crime, occasional incidents do occur and the Academy works diligently to remind students to practice risk reduction to avoid becoming the victim of a crime. During New Student Orientation, first year students and their parents are informed by Student Services personnel of college policies such as those prohibiting alcohol, drug and sexual misconduct, and where other policies can be found on the college portal. In addition, safety procedures are reviewed, risk reduction strategies suggested, and resources for assistance with emergencies and reporting crimes are introduced. New students also participate in a bystander training

session during orientation. Sophomore students participate in a training on sexual harassment and sexual misconduct in the workplace prior to participating in cadet shipping or co-operative education experiences the summer before their junior year.

During their first semester, all new students are required to participate in AlcoholEdu, a web-based population level alcohol and sexual violence education program, as well as HAVEN, a program designed to educate students about sexual assault prevention, domestic violence, bystander intervention and Title IX requirements. Students who violate the Academy’s alcohol policies are required to participate in an additional AlcoholEdu program as a sanction.

All new employees participate in a training on Clery and Title IX and how these apply to their work with students.

CSAs are trained annually on Clery and Title IX reporting requirements.

Residence Life, Student Activities, and the Regimental staff offer a variety of educational programs and workshops for students on crime-prevention topics. Resident Assistants conducted programs and prepared bulletin boards on a variety of educational topics in 2016, including topics related to healthy relationships and consent, responsible drinking and alcohol, identity theft and protecting one’s identity. Athletics promotes a theme of RESPECT THE ANCHOR (the logo of the Mariners athletics teams which was expanded to include the entire community). This theme – of respecting each other, the Academy, and the local community - is woven throughout orientation and leadership training of students.

Educational Workshops designed to reduce crime and violence offered in 2016 included:

CL Lindsay – Legal Issues with College Students & Social Media. A presentation on how to protect yourself and your identity.

Sex Signals – Sexual assault prevention program that uses unorthodox, humor-facilitated approach to examining our culture, sex, and the core issue of bystander intervention. A two-person team of highly-trained educators takes the audience on an interactive, relevant, and often-hilarious exploration of beliefs, behaviors, and gender stereotypes related to dating and sexual interaction.

Additionally, MMA began using **Student Health 101** in the 2016 Academic Year. This on-line monthly magazine, provided electronically to all students, provides students with information about managing stress, eating healthy, staying active, dealing with roommates, and more. Student Health 101 covers sexual assault and related topics that address the requirements of the Campus SaVE Act every month. Here are a few examples:

Student Health 101 Articles and Student Responses

The Dean of Student Services also shares **Public Service Announcements** periodically throughout the year via email. 2016 topics included texting and driving, drinking and driving, consent, and hunter safety.

Regimental trainings for students in the Regiment of Midshipmen included:

- Hard-target and anti-terrorism training
- First year midshipmen workshop on drinking and driving and US Coast Guard regulations regarding alcohol and ships.
- Student-led assembly on impacts of drunk/buzzed driving
- First year and third year midshipmen workshop on regulations regarding the use and abuse of alcohol while on the summer training cruise.

HONOR CODE

In addition to the educational programs noted above, the students are also educated during orientation regarding their rights and responsibilities under the Student Honor Code of Conduct and Responsibilities. The purpose of the MMA Honor Code is to provide and apply a unified consistent standard of student self-governance and to give the student body ownership of the behavior of its members. Within it are the guidelines students must meet in order to be successful at the Academy. At Fall Convocation, the President of the Academy emphasizes the importance of the Honor Code and explicitly talks about the Academy’s intolerance for dishonorable behavior. Members of the MMA community are expected to act with honesty and integrity, and treat others and their property with respect. Our expectations, as expressed through the policies, rules and procedures encompassed within the student handbook, the Honor and Conduct Code, the Regimental Manual, and the MMA catalogue, are designed to support community values of respect, self-discipline, accountability, and responsibility to the college, local, and state communities.

The Student Trustee leads all first year students in a public pledge of support of the Honor Code during Convocation and students are also expected to complete an on-line pledge during Orientation.

CRIME DEFINITIONS

GENERAL DEFINITIONS

Criminal Homicide – These offenses are separated into two categories: Murder and Non-negligent Manslaughter, and Manslaughter by Negligence.

- a) **Murder and Non-negligent Manslaughter** is defined as the willful (non-negligent) killing of one human being by another.
- b) **Manslaughter by Negligence** is defined as the killing of another person through gross negligence.

Sexual Assault (Sex Offenses) – Any sexual act directed against another person, without consent of the victim, including instances where the victim is incapable of giving consent.

- a) **Rape** is the penetration, no matter how slight, of the vagina or anus, with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim. This offense includes the rape of both males and females.
- b) **Fondling** is the touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.
- c) **Incest** is sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
- d) **Statutory Rape** is sexual intercourse with a person who is under the statutory age of consent.

Robbery – Robbery is the taking or attempting to take anything of value from the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.

Aggravated Assault – Aggravated Assault is an unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm.

Burglary – Burglary is the unlawful entry of a structure to commit a felony or a theft.

Motor Vehicle Theft – Motor Vehicle Theft is the theft or attempted theft of a motor vehicle.

Arson – Arson is any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc.

HATE CRIMES

A Hate Crime is a criminal offense that manifests evidence that the victim was intentionally selected because of the perpetrator's bias against the victim. Although there are many possible categories of bias, under the Clery Act only the following eight categories are reported:

Race – A preformed negative attitude toward a group of persons who possess common physical characteristics, e.g., color of skin, eyes, and/or hair; facial features, etc., genetically transmitted

by descent and heredity which distinguish them as a distinct division of humankind, e.g., Asians, blacks or African Americans, whites.

Religion – A preformed negative opinion or attitude toward a group of persons who share the same religious beliefs regarding the origin and purpose of the universe and the existence or nonexistence of a supreme being, e.g., Catholics, Jews, Protestants, atheists.

Sexual Orientation – A preformed negative opinion or attitude toward a group of persons based on their actual or perceived sexual orientation. Sexual Orientation is the term for a person’s physical, romantic, and/or emotional attraction to members of the same and/or opposite sex, including lesbian, gay, bisexual, and heterosexual (straight) individuals.

Gender – A preformed negative opinion or attitude toward a person or group of persons based on their actual or perceived gender, e.g., male or female.

Gender Identity – A preformed negative opinion or attitude toward a person or group of persons based on their actual or perceived gender identity, e.g., bias against transgender or gender non-conforming individuals. Gender non-conforming describes a person who does not conform to the gender-based expectations of society, e.g., a woman dressed in traditionally male clothing or a man wearing makeup. A gender non-conforming person may or may not be a lesbian, gay, bisexual, or transgender person but may be perceived as such.

Ethnicity – A preformed negative opinion or attitude toward a group of people whose members identify with each other, through a common heritage, often consisting of a common language, common culture (often including a shared religion) and/or ideology that stresses common ancestry. The concept of ethnicity differs from the closely related term “race” in that “race” refers to a grouping based mostly upon biological criteria, while “ethnicity” also encompasses additional cultural factors.

National Origin – A preformed negative opinion or attitude toward a group of people based on their actual or perceived country of birth. This bias may be against people that have a name or accent associated with a national origin group, participate in certain customs associated with a national origin group, or because they are married to or associate with people of a certain national origin.

Disability – A preformed negative opinion or attitude toward a group of persons based on their physical or mental impairments, whether such disability is temporary or permanent, congenital or acquired by heredity, accident, injury, advanced age or illness.

For Clery Act purposes, Hate Crimes include any of the following offenses that are motivated by bias:

- **Murder and Non-negligent Manslaughter**
- **Sexual Assault**
- **Robbery**
- **Aggravated Assault**
- **Burglary**
- **Motor Vehicle Theft**
- **Arson**

Larceny-Theft – the unlawful taking, carrying, leading or riding away of property from the possession or constructive possession of another.

Simple Assault – an unlawful physical attack by one person upon another neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving

apparent broken bones, loss of teeth, possible internal injury, severe laceration, or loss of consciousness.

Intimidation – to unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack.

Destruction/Damage/Vandalism of Property – to willfully or maliciously destroy, damage, deface, or otherwise injure real or personal property without the consent of the owner or the person having custody or control of it.

VIOLENCE AGAINST WOMEN ACT OFFENSES

Dating Violence is defined as violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. Dating violence does not include acts covered under the definition of domestic violence.

Domestic violence is defined as a felony or misdemeanor crime of violence committed—

- a) By a current or former spouse or intimate partner of the victim;

- e) By any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

Stalking is defined as engaging in a course of conduct directed at a specific person that would cause a reasonable person to: (A) Fear for the person's safety or the safety of others; or (B) Suffer substantial emotional distress. For the purposes of this definition—

- a) **Course of conduct** means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person's property.

APPENDIX A: Alcohol and Drug Policies

MAINE MARITIME ACADEMY

HEALTH AND SAFETY Section 607

SUBJECT: ALCOHOL

PURPOSE: To regulate possession and use of alcohol

A. Introduction

Maine Maritime Academy is committed to maintaining a high quality educational and employment environment. The abuse or illegal use of alcohol by members of the Academy community is contrary to the intellectual and educational purposes of the Academy, and is often a violation of state and/or federal law. The purposes of this policy are to provide regulations that require the safe, responsible and lawful uses of alcohol.

B. Dangers

On the average, heavy drinkers shorten their life span by ten years. The dangers associated with alcohol consumption typically arise when a person consumes more than one drink per hour, more than three drinks per day, binge drinks, drinks and drives, or drinks to cope with stress. Alcohol abuse is a national concern because of the potentially significant health risks. Such risks include alcohol dependency; slowing of brain function, judgment, alertness and coordination; attitude and behavioral changes; uncharacteristic hostility or increased risk-taking such as driving recklessly; physical problems such as high blood pressure, nerve damage and cirrhosis of the liver; criminal convictions and civil judgments for laws broken and harm caused; conflicts with medications that can cause intense or altered effects, nausea, sweating, severe headaches and convulsions; memory blackouts; uncharacteristic family, school, work and legal problems; and birth defects and mental retardation in the drinker's children.

C. Support Resources

Students who need alcohol support services should contact Academy Counseling Services at 207-326-2419 or <http://mainemaritime.edu/student-life/health-and-counseling-services/mma-counseling-services/>. Employees who need support services should contact the Department of Human Resources for information about the Academy's Employee Assistance Program. In addition, any person may contact the Maine Statewide Crisis Hotline at 1-888-568-1112, or Office of Substance Abuse at <http://maine.gov/dhhs/osa/index.htm> or 1-800-499-0027. Additional support resources are also available at the Office of Substance Abuse website.

D. Application

This policy governs the possession and consumption of alcohol by all students, employees, visitors and all persons while on Academy premises or at Academy events.

E. Definitions

For purposes of this policy, the following terms have the following meanings:

1. "Academy events" means any activity or function authorized or hosted by the Academy regardless of whether such activity or function occurs on property owned by the Academy.
2. "Academy premises" means all property, buildings, parking lots, open areas, vessels, vehicles owned, occupied or operated by the Academy, and includes the like premises of others where an Academy event occurs.
3. "Alcohol" means any liquor, wine, beer, spirits, malt liquor or hard cider, or any substance containing liquor that contains more than 1/2 of 1% of alcohol by volume;
4. "Intoxicated" means a substantial impairment of a person's mental or physical faculties as a result of alcohol.
5. "Possess or possession" of alcohol includes transporting alcohol, being under the influence or intoxicated, and being in the immediate company of open or empty alcohol containers;
6. "Under the influence" means any impairment of a person's mental or physical faculties as a result of alcohol.
7. "Unlawful use and/or possession" means the possession and or use of alcohol as prohibited by state and/or federal law.
8. "Visibly intoxicated" means a perceptible act, series of acts, or other appearance which demonstrates a person's intoxication.

F. Prohibitions

Alcohol shall not be possessed or consumed on Academy premises except as permitted by this policy and by state and federal law. These prohibitions include, but are not limited to, the following.

MAINE MARITIME ACADEMY

HEALTH AND SAFETY Section 608

SUBJECT: DRUGS

PURPOSE: To prohibit the illegal or abusive possession and use of drugs

A. Introduction

In accordance with pertinent laws, including the Drug-Free Workplace Act of 1988 and Drug-Free Schools and Communities Act Amendments of 1989, Maine Maritime Academy seeks to maintain a drug-free environment. To that end, the purpose of this policy is to prohibit the possession and use of dangerous drugs. This policy also serves to inform employees and students about their risks dangers of drugs and alcohol; the availability of counseling, rehabilitation and assistance programs; and the penalties that may be imposed for violations.

B. Definitions

For purposes of this policy, the following terms have the following definitions:

Academy events means any activity or function authorized or hosted by the Academy regardless of whether such activity or function occurs on property owned by the Academy.

Academy premises means all property, buildings, parking lots, open areas, vessels and vehicles that are owned, occupied or operated by the Academy. These include like premises not owned, occupied or operated by the Academy, but that are the location of an Academy event.

Drug means any:

- a) Controlled substance or scheduled drug, which includes any substance or drug whose manufacture, possession, or use is regulated by state or federal law. Such drugs include illegal drugs, such as opiates, barbiturates, amphetamines, marijuana, cocaine, heroin, hallucinogens, designer drugs and illegal steroids. Such drugs also include medical marijuana which federal law requires the Academy to recognize as an illegal drug despite Maine's less restrictive state law;
- b) Prescription medications when not possessed or used as prescribed; and
- c) Other substance or chemical that is not prescribed, controlled or scheduled by state or federal law, but which can have the psychoactive or mind-altering effect of a pharmacological substance, and is possessed or used for that effect.

Drug paraphernalia means any item which is or could be used in the possession, use or distribution of any drug.

C. Persons Covered

This policy applies to all students, employees, students, independent contractors, persons provided by temporary employment agencies, volunteers, invitees and other visitors of the Academy.

D. Prohibition

The Academy prohibits the unlawful manufacture, distribution, dispensation, sale, possession, use or being under the influence of any drug or drug paraphernalia on Academy premises or as part of an Academy event.

E. Risks of Drug Use and Abuse

There are serious risks associated with the use of illegal, and the abuse of legal, drugs. For example:

1. **Marijuana.** The effects of smoking marijuana include short term memory impairment, altered sense of time and space, reduced ability to perform tasks requiring concentration, swift reactions and co-ordination. Young people who use marijuana regularly may not develop as emotionally and intellectually as their peers. Marijuana smoke contains more cancer-causing agents than tobacco smoke and, because marijuana users typically hold the smoke in their lungs as long as possible, lung problems can develop in less time.
2. **Stimulants,** such as cocaine and amphetamines. Stimulants are highly addictive. The cycle of stimulant use develops when users continue to take the drugs in order to avoid the depressed mood that follows the drugs' highs. This cycle is extremely hard on the body, particularly the heart. Depression and cross-addiction to depressants are common, as is loss of appetite that can lead to malnutrition. Likewise, Sudden Death Syndrome associated with cocaine use can occur even to first-time or infrequent users.
3. **Hallucinogens,** such as LSD, Peyote, Psilocybin mushrooms and PCP. Because all of these drugs are created illegally, the potency of chemicals consumed can vary substantially and without the user's knowledge. For instance, street doses of Peyote, Psilocybin mushrooms, and LSD often contain amphetamines, STP, PCP, and other contaminants. Impaired perceptions with hallucinogen use may lead to self-inflicted injuries, accidents and violence.

F. Support Resources

Students who need drug abuse support services should contact Academy Counseling Services at 207-326-2419 or <http://mainemaritime.edu/student-life/health-and-counseling-services/mma-counseling-services/>. Employees who need such support services should contact the Department of Human Resources for information about the Academy's Employee Assistance Program. In addition, any person may contact the Maine Statewide Crisis Hotline at 1-888-568-1112, or Office of Substance Abuse at <http://maine.gov/dhhs/osa/index.htm> or 1-800-499-0027. Additional support resources for all people are also available at the Office of Substance Abuse website.

G. Notices

In compliance with federal law, the Academy shall distribute annually to all employees and students the information contained in this policy. The Academy shall also provide new employees with a copy of this policy, and publish a copy of this policy for review by existing employees.

H. Federally Funded Employees

For work performed by employees, including student employees, paid at least in part by a federal grant or contract, the Academy shall:

1. Inform such employees that a condition of such employment is to abide by the terms of this policy;

2. Notify the appropriate federal agency within ten (10) days after receiving notice that such an employee has been convicted of a drug crime that occurred in the workplace; and
3. Impose sanctions on, or require the satisfactory participation in a drug abuse assistance rehabilitation program by, any employee so convicted.

I. Notice of Convictions

Any student convicted of violating a criminal drug statute shall, within five (5) days of such conviction, notify the Dean of Student Services of the conviction and any resulting terms and conditions of punishment. Any employee convicted of violating a criminal drug statute shall, within five (5) days of such conviction, notify the employee's supervisor of the conviction and any resulting terms and conditions of punishment.

I. Penalties for Violations

Students who violate this policy are subject to disciplinary action under the Student Honor Code of Conduct and Responsibilities, up to and including dismissal and/or a requirement to obtain support assistance. Employees who violate this policy are also subject to disciplinary action, up to and including termination and/or a requirement to obtain support assistance. Other persons who violate this policy are subject to any appropriate and applicable sanction, including exclusion from Academy property and events, and debarment from Academy work. Any student, employee or other person whose conduct may violate a state or federal law may also be referred to law enforcement for action.

APPENDIX B: Policy Prohibiting Sexual Misconduct and Sexual Assault

MAINE MARITIME ACADEMY

STUDENT AFFAIRS
Section 604

SUBJECT: Sexual MISCONDUCT AND sexual ASSAULT

PURPOSE: To define and proscribe non-consensual sexual activities

A. Introduction

Certain sexual activities can produce emotional and physical distress and constitute violations of criminal law. Other sexual activities can produce significant regrets or misunderstandings. The purposes of this policy are to notify students of their responsibilities when engaging in sexual activities, and to protect students from those who do not meet these responsibilities. This policy supplements the Maine Maritime Academy Honor Code of Conduct and Responsibilities (“Code”) by defining the non-consensual sexual activities that constitute violations of the Code; explaining the procedures that will apply to the handling of such alleged violations; and providing important additional information to all students. The intention is to inform students in detail of their responsibilities under the Code, and to assist the Academy in investigating and resolving cases alleging such violations.

B. Personal Responsibilities

In addition to the responsibilities students have under the Code and this policy, students are strongly advised to heed numerous other personal responsibilities. In order to avoid the problems identified above, as well as problems related to unwanted pregnancies, sexually transmitted diseases and other personal difficulties, all students are advised to:

1. Pursue or permit sexual activities of any kind only with a person with whom there is an established relationship;
2. Pursue or permit sexual activities of any kind only while not under the influence of drugs or alcohol; and
3. Communicate expressly, at the time of possible sexual activities, their respective desire, comfort and clear agreement to engage in any sexual activities at such time, and communicate the specific activities to which they consent.

C. Definitions

For purposes of this policy, the following terms have the following meanings.

1. **Reliable Consent** means a person’s:
 - a) Voluntary agreement;
 - b) Communicated by words;
 - c) At the time of the sexual activity;
 - d) To engage in each of the sexual activities at issue in a given case. Such agreement must be expressly requested and, if given, expressly stated. Current agreement must not be assumed or inferred from previous instances when reliable consent was given by the Complainant. Agreement from a person who is visibly intoxicated or otherwise impaired shall not be regarded as reliable consent. Agreement to engage in one

sexual activity (such as a touching) is not agreement to engage in a different sexual activity (such as an act). Agreement can be withdrawn at any time and, if so withdrawn, the sexual activity shall stop.

2. **Acquiescence** means a person's submission to engaging in one or more sexual activities without communicating either an express verbal agreement or an express physical or verbal objection.
3. **Sexual misconduct** means the following where there is no reliable consent:
 - a) **Sexual touching** which means any intentional touching of the breasts, buttocks, groin or inner thigh, directly or through clothing, and for the purpose of arousing or gratifying sexual desire; or
 - b) **Sexual contact** which means any intentional touching of the genitals or anus, directly or through clothing, other than as would constitute a sexual act, for the purpose of arousing or gratifying sexual desire or for the purpose of causing bodily injury or offensive physical contact; or
 - c) **Sexual act** which means any intentional act done for the purpose of arousing or gratifying sexual desire when that act involves direct physical contact between the:
 - i. Genitals of one and the mouth or anus of another; or
 - ii. Genitals of one and the genitals of another; or
 - iii. Genitals or anus of one and an instrument or device manipulated by another person.
4. **Sexual assault** means any sexual misconduct as defined above where, at the time of the sexual activity, the Complainant:
 - a) Expressly communicated by words or physical act(s) a timely objection; or
 - b) Was visibly intoxicated or otherwise visibly impaired; or
 - c) Was unconscious, incapacitated, or otherwise unaware that sexual activity was occurring or about to occur; or
 - d) Was placed in reasonable fear of physical injury or other harm because of the Respondent's use or threatened use of physical force or other harm.
5. **Complainant** means a person who believes he or she experienced sexual misconduct or sexual assault by a student.
6. **Respondent** means a student accused of sexual misconduct or sexual assault.
7. **Retaliation** means pressuring a person to drop or support a complaint or to provide false or misleading information; pressuring a person to participate or refrain from participating as a witness in a proceeding; or engaging in conduct that may reasonably be perceived to affect adversely that person's educational, living, or work environment for making a good-faith report or participating in good faith in an investigation.

D. Prohibited Conduct

It is a violation of the Code for a student to intentionally engage in sexual misconduct or sexual assault, or to retaliate against a person who in good faith reports or participates in an investigation under this policy. A student may be found responsible for retaliation even if not found responsible for the underlying alleged sexual misconduct or sexual assault.

E. Reports to the Academy

1. **When to Report.** Complainants are advised to report allegations of sexual misconduct or sexual assault immediately or as soon as possible.
2. **Where to Report.** To ensure the most prompt response, reports should be given to the Dean of Student Services and/or the Title IX Coordinator. Any other employee who receives such a report shall immediately share the report with the Dean of Student Services and/or the Title IX Coordinator.
3. **What to Report.** A complaint may be made orally or in writing, and should be as specific as possible. A report should disclose the identity of the person(s) alleged to have engaged in the sexual misconduct or sexual assault, and the location(s), date(s) and description of the alleged acts. Except as noted in subsection 4 below, the Academy cannot take complaints “off the record.” Once the Academy receives such information, it has a duty to investigate and possibly take action even if, at the time of the complaint, the Complainant does not want the Academy to do either. Unless the Complainant signs a written statement specifying withdrawal of the complaint, the Complainant may not be deemed to have withdrawn her or his complaint.
4. **Reports Seeking Help, but Not Discipline.** Students who do not want to report a sexual assault for a disciplinary response by the Academy are encouraged to seek counsel, support and appropriate services. The Academy’s Counseling Services at 207-326-2419 or <http://mainemaritime.edu/student-life/health-and-counseling-services/mma-counseling-services/> provides confidential counseling for sexual assault. After hours, students can contact the support services located in the Appendix attached to this policy.
5. **False Reports.** It is a violation of Academy policy for any person to intentionally file a report of any kind with an Academy official when the person knows that such report, by fabrication or material embellishment, is false.

F. Information Provided to a Complainant at the Time of a Report

At the time of a report to the Dean of Student Services and/or the Title IX Coordinator, the Academy shall provide to the Complainant a copy, or hypertext links to copies, of the Code, this policy and the Appendix to this policy. Complainants are hereby advised of the following:

1. **Preserving Evidence.** It is important to preserve physical evidence in order to help prove a criminal sexual assault, stalking, domestic violence, other acts of violence occurring within a dating relationship or other sexual encounter, or to help obtain a protective order;
2. **Confidentiality.** The Academy uses best efforts to protect the confidentiality of the identity and allegations involved in a report, including keeping all records confidential to the extent permissible by law. Information regarding sexual misconduct or sexual assault reports, and any investigation or review of those reports, including sanctioning determinations, will be shared among Academy officials with a legitimate educational interest or with external individuals or entities only on a need-to-know basis and only as permitted by Academy policy

and applicable law. The Academy will be required to disclose the Complainant's name, statements and allegations to the Respondent. The Academy may choose to comment publicly, in writing or otherwise, to the extent permitted by law, regarding the decision reached if, in the judgment of the Academy, the best interests of the community would be served by such a disclosure. If possible and appropriate, the anonymity of the student(s) involved will be protected;

3. **Counseling and Health Services.** Counseling and health support services are available either on campus or in the area. A list of such services is attached in the *Appendix* to this policy, and the Academy can assist a Complainant in accessing these resources;
4. **Law Enforcement.** The complainant has the right to contact, and file a criminal complaint with, law enforcement. A list of such authorities is attached in the *Appendix*. The police can advise and assist with the Complainant's option to request from a court that a temporary or permanent restraining order, or other protection or no-contact order be issued against an alleged offender; and
5. **Victim Advocacy and Legal Assistance Services.** Victim advocacy and legal assistance services are also available, and the Academy can assist a Complainant in accessing these resources. A list of such services is attached in the *Appendix*.

G. Investigations

The Academy shall use the Code in conducting an investigation of reports or allegations of sexual misconduct or sexual assault.

H. Interim Steps While an Investigation is Conducted

The Academy shall consider what interim steps, if any, should be taken until the investigation and findings are complete. Such steps include, for example, changing the Complainant's and affected student(s) academic, living, transportation, and working situations if requested and reasonably available.

I. Participation during Proceedings

As consistent with the Code, both the Complainant and the Respondent shall have the same opportunity to have others present during internal disciplinary proceedings, including the opportunity to be accompanied to related meetings by an advisor of their choice.

J. Outcomes

At the time that the Academy makes its final findings, the Academy shall in writing notify simultaneously the Complainant and Respondent of:

1. Whether the Respondent was found to violate the Code and, if so, the provisions violated and discipline imposed; and
2. The Respondent's and Complainant's rights under the Code to appeal the findings and any discipline.

K. Discipline

A violation of this policy shall result in discipline under the Code. Because of the wide range that can exist between cases of violent misconduct and cases of poor communication, the following guidelines shall assist the Academy in determining the appropriate discipline for each case.

1. **Sexual Assault vs. Sexual Misconduct.** Findings of sexual assault shall be regarded as more severe than findings of sexual misconduct.
2. **Types of Sexual Misconduct.** Findings of a sexual act shall be regarded as a more severe form of sexual misconduct than findings of sexual contact, and findings of sexual contact shall be regarded as a more severe form of sexual misconduct than findings of sexual touching.
3. **Cases of Acquiescence.** Findings that a Respondent did not obtain express verbal agreement and instead relied upon mere acquiescence shall be regarded as important but less severe than cases involving sexual assault.
4. **Repeat Violators.** Findings that a Respondent was previously found responsible for sexual misconduct or sexual assault shall be regarded as more severe than a first-offender.

L. Retaliation

The Academy will take appropriate steps to ensure that a person who in good faith reports or participates in an investigation under this policy will not be subjected to retaliation by the Respondent or others. Anyone who has experienced retaliation is strongly encouraged to report that concern using the procedures in *Section C* above.

M. Protective Orders

Complainants have the right to request from a court that a temporary or permanent restraining order, or other protection or no-contact order be issued against an alleged offender. Only the police, and not Academy personnel, have the authority to enforce such an order by arresting a person who violates the order. The Complainant should, therefore, promptly inform the Dean of Student Services and/or the Title IX Coordinator if such an order is obtained so that the Academy may be better prepared to more promptly contact the police if necessary.

N. Primary Authority and Annual Training

The Dean of Student Services and/or the Title IX Coordinator shall have primary responsibility for overseeing the application of this policy. They shall ensure that Resident Directors, Resident Assistants, Conduct Panel and Honor Board, and other pertinent employees are annually informed about this policy.

O. Other

Nothing in this policy shall be construed to confer a private right of action upon any person to enforce the provisions of this policy.

MAINE MARITIME ACADEMY

Student Honor Code of Conduct and Responsibilities

Introduction

All societies place restraints both formal and informal upon their members in order to function as intended. An academic community such as Maine Maritime Academy (MMA) is no exception. The purpose of our Honor Code is to provide and apply a unified consistent standard of student self-governance and to give the student body ownership of the behavior of its members. Within it are the guidelines students must meet in order to be successful here. Community life and a successful experience here depend upon a commitment to be responsible for oneself and for other people. Members of our community are expected to act with honesty and integrity, and treat others and their property with respect. Our expectations, as expressed through the policies, rules and procedures encompassed within this Code, the Student Handbook, the Academy policies published on the MMA portal, the Regimental Manual and the MMA Catalogue, are designed to support our community values of respect, self-discipline, accountability and responsibility to the college, local and state communities. Every member of the MMA student body shall be called upon to uphold the codes of honor and conduct as set forth in this Student Handbook and by the principles below:

- I. Respect the Rights and Privacy of Others**
- II. Ensure that Honor and Conduct Code Violations are Reported**
- III. Respond to All Requests from the Administration and Faculty**

All students enrolled at Maine Maritime Academy are required to affirm by pledge at Fall Convocation their agreement to comply with our Honor System.

Note that this Code is neither a contract nor a complete account of every Academy rule. The Academy reserves the right to adopt and amend academic and disciplinary rules. Electronic versions of this Code, the Academy's other Handbooks, and the Academy's Policy and Procedure Manual are available on Academy's website or portal, and those electronic versions constitute the most current versions thereof. In the event of a conflict between this Code and a provision of the Academy's Policy and Procedure Manual, that Manual controls. If you have a question about the most current and complete policy, procedure or other rule, please contact the Vice President for Student Affairs and Enrollment Management, Vice President for Academic Affairs, or other pertinent Academy administrator.

ARTICLE VI PROCEDURES

A. PROCESS TRACKS

Any allegation that a student has violated this Code should be directed to the Dean as soon as possible. Based on the apparent nature and severity of the allegations, the Dean shall determine which of the following tracks to apply:

1. **INFORMAL PROCESS.** For an Accused Student who agrees to handle the matter promptly and informally, the Dean shall apply the Informal Process set forth below;
2. **CONDUCT PANEL.** For allegations that, if true, would not warrant a Level One Sanction under *Section VII (B) (2)* of this Code, and if the Accused Student does not request at the outset adjudication of the case by the Honor Board, the Dean shall refer the case to a Conduct Panel for adjudication as set forth below;
3. **HONOR BOARD.** For allegations that, if true, could warrant a Level One Sanction under *Section VII (B) (2)* of this Code, the Dean shall refer the case to the Honor Board for adjudication as set forth below; or

4. **REGIMENTAL BOARD.** For an Accused Student covered by the Regiment of Midshipmen Manual, the Dean shall confer with the Commandant to determine whether to refer the case to a Conduct Panel or Honor Board for adjudication under this Code, or refer the case to a Regimental Board under the Regimental Manual. In making this determination, the Dean and Commandant shall consider the Accused Student's prior record and whether the location, character, nature, witnesses, victims, precedence, consequences and/or effects of the alleged misconduct implicate the interests of the Regiment in a manner that renders reference to a Regimental Board more appropriate.
5. **EXPEDITED PROCEEDINGS.** Notwithstanding any other provision of this Code, the Academy may adjust the form and timing of any notice, meeting, hearing, appeal or other disciplinary related proceeding provided by this Code when exigent circumstances (such as when an allegation of misconduct arises at the end of a semester, or shortly before the start of a cruise, co-op, internship or other activity) require an expedited assessment of the allegation and a determination of the findings and sanctions, if any (including whether, and if so how, the student's participation in, for example, a cruise, co-op, internship or other imminent activity may be affected). Such expedited proceedings shall provide the student with basic notice, a reasonable opportunity to be heard, and a reasonable opportunity to appeal.

B. INFORMAL PROCESS

For cases handled by the Informal Process, the following process shall apply.

1. The Dean or Director shall meet as soon as practicable and in private with the Accused Student; present the allegations, charges and the nature of the evidence; and provide the Accused Student with an opportunity to be heard.
2. If the Accused Student does not request a Conduct Panel Meeting or an Honor Board Hearing, and accepts responsibility and agreed-upon sanction(s), the Dean or Director shall promptly record the finding(s) and impose the sanction(s) without further action.
3. If an Accused Student does not accept responsibility and/or agreed-upon sanction(s), the Dean shall promptly refer the case to a Conduct Panel or Honor Board as appropriate.

C. CONDUCT PANEL MEETINGS

For cases referred to a Conduct Panel, the following process shall apply.

1. A Conduct Panel shall consist of the Director and two trained and impartial students selected by the Dean.
2. The Panel shall meet as soon as practicable and in private with the Accused Student; present the Accused Student with the charges and the nature of the evidence; and provide the Accused Student with an opportunity to be heard.
3. Formal rules of process, procedure, and technical or legal rules of evidence, such as are applied in criminal or civil court, are not used in a Conduct Panel Meeting. An audio recording or written summary of the Meeting shall be made. Deliberations shall not be recorded.

4. After conferring with the two Panel students, the Director shall determine based on substantial evidence (a standard of “whether it is more likely than not”) that the Accused Student violated the Code as charged; and, if so, 2) what Level Two Sanction(s), if any, should be imposed.
5. An Accused Student may appeal to the Dean the decision(s) of the Director. The Dean’s decision shall on any such appeal be final.
6. If the Director determines during this Conduct Panel process that there could be misconduct warranting Level One Sanction(s), the Director shall confer with Dean. If the Dean agrees, the Dean shall refer the case for de novo hearing before the Honor Board. Such decisions to refer cases shall not be subject to appeal.
7. If the Director determines during this Conduct Panel process that there could be misconduct warranting action by the Regimental process, the Director shall confer with the Dean and Commandant. If the Dean and Commandant agree, the Dean shall refer the case for a de novo review in the Regimental process. Any such reference decision shall not be subject to appeal.
8. If an Accused Student, with notice, does not appear without a meritorious excuse for a Conduct Panel Meeting, the information in support of the charges shall be presented and a determination made despite the Accused Student’s absence.

D. REGIMENTAL BOARD HEARINGS

For cases referred to the Regimental Board, the process set forth in the Regimental Manual shall apply.

E. HONOR BOARD HEARINGS

For cases referred to the Honor Board, the following process shall apply.

1. The Honor Board shall consist of at least three and not more than five impartial and trained members. A Board with three or four members may have one member who is a student, and a Board with five members may have two students who are members; provided that there shall be no members who are students in cases involving allegations of sexual misconduct or other subjects for which privacy is particularly important. The Vice President shall determine the members and Chair of the Honor Board.
2. The typical Honor Board hearing shall proceed as follows:
 - a. The Dean shall schedule an Honor Board hearing as soon as practicable after the Dean has determined that an Honor Board hearing is required, but not fewer than five (5) school days after notice of the date is provided to both the Accused Student and the Complainant(s).
 - b. The Chair shall preside; the Dean will present the charges, information and findings against the Accused Student; the Accused Student will respond to the case presented by the Dean; and the Dean and Accused Student may then each summarize orally their position. An audio recording or written summary of the Hearing shall be made.

- c. The Accused Student and Complainant(s) who appear as witness(es) have the right to be assisted at the hearing by an advisor they choose. Such advisors:
 1. May privately counsel, but may not speak to the Honor Board or otherwise participate on behalf of, their advisee;
 2. Must be members of the Academy community and may not be an attorney; provided that the advisor may be an attorney in cases where dismissal or substantial suspension is likely, or where criminal charges are pending, but such an attorney shall not be at the Academy's expense;
 3. Are allowed to attend the entire portion of the Honor Board hearing at which information is received (excluding deliberations).
 - a. Admission of any other person to the Honor Board hearing shall be at the discretion of the Chair.
 - b. In matters involving more than one Accused Student, the Dean, in the Dean's discretion, may permit the hearings to be conducted either separately or jointly.
- d. The Accused Student and Dean may arrange with the Chair for witnesses to present pertinent information to the Board. The Academy will try to arrange the attendance of possible witnesses who are members of the Academy community, if reasonably possible, and who are identified by the Complainant and/or Accused Student at least two school days prior to the hearing. Witnesses will provide information to, and answer questions from, the Honor Board. Questions may be suggested by the Accused Student and/or Complainant to be answered by each other or by other witnesses. In order to preserve the educational tone of the hearing and to minimize the creation of an adversarial environment, any such questions shall be directed to the Chair rather than to the witness directly. Questions of whether, and if so how, such questions of witnesses should be asked shall be resolved in the discretion of the Chair.
- e. Pertinent records, exhibits, and written statements (including student impact statements) may be accepted for consideration by the Honor Board at the discretion of the Chair.
- f. All procedural questions are subject to the final decision of the Chair.
- g. After the Honor Board determines that it has received all pertinent information, the Honor Board shall convene in private session to:
 1. Determine whether the Accused Student has violated the section(s) of this Code that the Accused Student is charged with violating. This determination shall be made by majority vote based on substantial evidence; that is, whether it is "more likely than not" that the Accused Student violated the Code as charged; and

2. If violation(s) are found, impose by majority vote the sanction(s) that the Board deems appropriate.
 - a. Such deliberations shall not be recorded.
3. The Chair shall inform in writing the Accused Student, and the Complainant(s) to the extent permitted by law, of Honor Board's decisions.
4. Formal rules of process, procedure, and technical or legal rules of evidence, such as are applied in criminal or civil court, are not used in proceedings in Honor Board hearings.
5. There shall be a record of Honor Board hearings and that record shall be the property of the Academy. Honor Board deliberations shall not be tape recorded.
6. If an Accused Student who has been given notice does not without meritorious excuse appear for an Honor Board hearing, the information in support of the charges shall be presented and the matter determined despite such absence.
7. The Honor Board may accommodate concerns for the personal safety, well-being or fears of confrontation that the Complainant, Accused Student or any other witness may have during the hearing by providing separate facilities, by using a visual screen, or by permitting participation by telephone, video conferencing, videotape, audio tape, written statement or other means as determined in the sole judgment of the Dean to be appropriate.

**ARTICLE VII

sanctions if the Accused Student is found to violate any Academy rules or regulation(s) during the probationary period.

- c. **Loss of Privileges:** Denial of specified privileges for a designated period of time.
 - d. **Restitution:** Compensation for some or all of the loss, damage or injury that the Accused Student caused. This may take the form of money payment, property replacement or work service requirement.

1. All sanctions shall be communicated in writing to the Accused Student(s) and Student Organization(s).
2. More than one sanction may be imposed for any single violation.
3. All decisions on sanctions shall take effect when noted; provided that sanctions, other than interim suspension, may, in the discretion of the Dean, be stayed during any appeal.

**ARTICLE VIII
INTERIM SUSPENSION**

- A. Notwithstanding any other provision of this Code, the Vice President may, in the Vice President's sole discretion, impose an Academy or residence hall interim suspension prior to initiating any disciplinary process. An interim suspension does not replace the regular disciplinary process, which shall proceed on the typical schedule.
- B. An interim suspension may be imposed when the Vice President determines that the student's physical presence at the Academy poses an imminent and substantial threat of harm to a) the student's own physical or emotional safety or well-being; b) other persons' physical or emotional safety or well-being; c) the orderly operations of the Academy; or d) the property of the Academy or its community members. These determinations shall be based upon the nature of the alleged misconduct and other direct factors such as the student's prior conduct, disciplinary record, written or oral statements and/or mental health disclosures.
- C. An interim suspension shall take effect when so designated and may not be stayed pending appeal unless otherwise determined by the Academy President. During an interim suspension, a student may be denied access to the residence halls, campus, and/or all other Academy activities or privileges as the Vice President deems appropriate. Consistent with *Section VI (B)* of this Code, there are no appeals from the Informal Process. Appeals from a Conduct Panel are governed by *Section VI (C) (5)* of this Code.

B. APPEALS FROM AN HONOR OR REGIMENTAL BOARD

An Accused Student may appeal to the Vice President for Student Affairs and Enrollment Management the decision of the Honor Board or Regimental Board. Such appeals shall be limited to claims: a) of a

procedural error that substantially affects the rights of the appellant; b) of new relevant information that would directly affect a material finding; c) that a material finding is incompatible with the weight of information presented; or d) that the penalty is excessive. A Complainant may appeal to the Vice President an Honor or Regimental Board's a) findings of no Code violation(s); and/or b) decision to impose no, or a relatively low, sanction.

C. APPEALS FROM THE VICE PRESIDENT

An Accused Student may appeal to the Academy President the issue of whether a Vice President's decision to impose a Level One Sanction was excessive. A Complainant may appeal to the Academy President a Vice President's a) findings of no Code violation(s); and/or b) decision to impose no, or a relatively low, sanction.

D. OTHER

The following applies to all appeals filed under this Code:

1. An appeal must be submitted in writing within two (2) school days following the day when the Accused Student and/or Complainant receives the written decision stating the violations found and the sanction imposed.

3. A person who fails to file a proper and timely appeal may be deemed to have waived the right to appeal.
4. The Dean, Vice President and President are not bound by the decision(s) being appealed.
5. The Dean, Vice President and President shall review the appeal in the manner deemed appropriate, and shall issue a written decision as soon as practical.

ARTICLE X

OTHER

- A. NOTICE.** The Academy may provide a notice under this Code to a student either in person or to the student's most recent electronic, campus or U.S. mail address on file at the Academy. A student will be deemed to have received such notice 1) immediately when informed in person; 2) within 24 hours when notified by electronic or campus mail; or 3) within 72 hours of the date of mailing when notified by U.S. mail. In all instances a student has an affirmative duty to remain in contact with the Academy while a matter is pending under this Code.
- B. ATHLETICS.** The provisions of this Code apply to misconduct related to participation in athletics. The procedures of this Code do not, however, apply determinations of whether a student may be a member of, or receive playing time for, an Academy athletic team because the student has engaged in conduct detrimental to the team. Those determinations shall be made by the coach, provided that the affected student may appeal the coach's decision to the Director of Athletics. For purposes of this provision, "conduct detrimental to the team" includes, but is not limited to, conduct that is unsportsmanlike to fans, officials or opposing coaches or players; disruptive to practices and other team events; brings disruption or disrepute to the team through misconduct

or violations of law or Academy policy; or is otherwise contrary to the principles taught through athletic competition, such as reliability, diligence, commitment, teamwork and the willingness to take seriously the duty to represent the Academy honorably during competition.

- C. PARKING.** A student violation of a rule governing a moving, parked or standing vehicle on property owned, operated or under the control the Academy shall be processed under this Code only if the sanction sought by the Academy is suspension or dismissal from the Academy for the violation(s). In all other cases, the Department of Campus Safety and Security shall provide an informal process that permits a student an opportunity to contest the alleged violation before a person designated by the Department to hear such contests.
- D. RECORDS.** Other than Academy expulsion or revocation or withholding of a degree, disciplinary sanctions shall not be made part of the student's permanent academic record, but shall become part of the student's disciplinary record. Upon graduation, the student's disciplinary record may upon application to the Vice President be expunged of disciplinary actions other than residence hall dismissal, Academy suspension, Academy dismissal, or revocation or withholding of a degree. Cases involving the imposition of sanctions other than these sanctions may be expunged from the student's confidential record in accordance with the Academy's records retention schedule.
- E. RELATED LEGAL PROCEEDINGS.** Academy disciplinary proceedings may be instituted against a student charged with conduct that potentially violates both the criminal law and this Code (that is, if both possible violations result from the same factual situation) without regard to the pendency of civil or criminal litigation in court or criminal arrest and prosecution. Proceedings under this Code may be carried out prior to, simultaneously with, or following civil or criminal proceedings off campus at the discretion of the Vice President. Determinations made or sanctions imposed under this Code shall not be subject to change because criminal charges arising out of the same facts giving rise to violation of rules were dismissed, reduced or resolved in favor of or against the criminal law defendant.

When a student is charged by federal, state, or local authorities with a violation of law, the Academy will not request or agree to special consideration for that individual because of his or her status as a student. If the alleged offense is also being processed under this Code, the Academy may advise off-campus authorities of the existence of this Code and of how such matters are typically handled within the Academy community. The Academy will attempt to cooperate with law enforcement and other agencies in the enforcement of criminal law on campus and in the conditions imposed by criminal courts for the rehabilitation of student violators (provided that the conditions do not conflict with campus rules or sanctions). Individual students and other members of the Academy community, acting in their personal capacities, remain free to interact with governmental representatives as they deem appropriate.

APPENDIX E: Drug Free Schools and Campuses Annual Notification

In compliance with the Drug-Free Schools and Communities Act, the Academy has implemented a program to prevent the illicit use of drugs and the abuse of alcohol by students and employees. The Program includes annual distribution of information to students and employees concerning the possession, use, or distribution of alcohol and illicit drugs at the college.

The MMA policies regarding Drugs and Alcohol are posted on the portal and are distributed annually to each staff member and student as follows:

The Annual Security Report, mandated as part of the Clery Act, includes the MMA Drug and Alcohol policies and is emailed at the end of September to all students and employees.

Students are advised of the Academy's Alcohol and Drug Policies during New Student Orientation and are directed to the policy section of the portal for further information.

MMA utilizes a four part framework to address alcohol and other drug use by implementing the following strategies: Policy, Enforcement, Education and Intervention. An overview of each strategy is described in this document.

Policy

MMA's policies on alcohol and drugs are implemented across the campus community. Copies of the Academy policies are at the bottom of this email. The College's Student Affairs division provides overall coordination of the Drug-Free Schools and Communities Act Program and coordinates with other departments in the oversight of college policy, including:

For Student Disciplinary Actions: Dean of Student Services

For Employee Disciplinary Actions: Human Resources

Enforcement

MMA seeks to uphold its drug and alcohol-related policies and laws, and will impose disciplinary sanctions against those students and/or employees who violate said policies and laws consistent with local, State or Federal law. Enforcement of the Drug and Alcohol policies is facilitated by Campus Safety, the Dean of Students as well as the Director of Residential Life and Student Activities, and Human Resources. The employee disciplinary process is governed by the union contract, which includes a section on alcohol and drug abuse. As part of the disciplinary process, the college may also request that the student or employee complete a rehabilitation program.

Students

Sanctions for students found in violation of the drug and alcohol policies include: probation, reflective essays, fines, on-line education, community service, counseling, and suspension or dismissal. MMA maintains a progressive sanctioning protocol. It demonstrates a commitment to ensuring evenly imposed sanctioning processes through the development and implementation of a three strike policy for students where alcohol is concerned and a no tolerance policy where drugs are concerned. Data regarding student Alcohol and Drug violations are recorded in accordance with reporting periods for the Jeanne Clery Campus Crime Reporting requirements.

Employees

Sanctions for employees found in violation of the drug and alcohol policies include: Coaching, Mandatory EAP Referral, and Termination. Employees may self-refer or be referred to the Employee Assistance Program for assistance in dealing with the use of alcohol or a controlled substance. The Director of Human Resources manages staff corrective action. The findings of each investigation are reviewed against past precedents and recommended sanctions are imposed consistent with those comparisons.

Education

MMA acknowledges the critical importance of AOD prevention and education. In approaching prevention and support services to the student community, the college recognizes the challenges in reaching all students, and has approached prevention education with a focus on the entering new student class, making on-line education for alcohol and sexual assault a mandatory component of the transition to college. AlcoholEDU and HAVEN, on-line courses offered by EverFi, are required in the fall of each student's first year at MMA. The Alcohol and Drug policies and resources for assistance are also discussed with all new students during New Student Orientation.

In addition to the mandatory training for all new students, the college offers on going optional educational opportunities for alcohol and other drug prevention education to its students, faculty and staff. Examples of such include, but are not limited to: Drinking and Driving Simulation activity, Sex Signals, and other programs and lectures.

Intervention and Support Services

The college disseminates resource and intervention referrals regarding the use of alcohol and other drugs. Student Affairs provides an overall coordination of the Drug-Free Schools and Communities Act Program and coordinates with other departments in the implementation of programs, including counseling intervention and support service referrals made by the college counselor. The college provides services related to drug and alcohol use and abuse for its staff, faculty, and students. MMA employee services are coordinated through the Employee Assistance Program. Students are afforded access to mental health and rehabilitation services through referrals to local agencies (or agencies near the home of the student).

When individual students experience escalated circumstances and intervention is appropriate, support services are provided by the college counselor. The counselor addresses the impact of substance abuse and action plan with students in order to coordinate support and recovery efforts.

Medical Marijuana

Federal law and the Drug Free Schools and Workplace Acts make possession and use of marijuana on campus illegal, even in states such as Maine with medical marijuana laws. Thus, MMA does not permit medical use or possession of marijuana anywhere on campus.

Federal Funds and Grants and Drug Convictions

Organizations receiving federal grants and contracts, which MMA does, are required to ensure that their workplaces are free from illegal use, possession, manufacture, or distribution of controlled substances. The law requires employers who receive federal funds to: notify employees that drug abuse is prohibited in the workplace, establish a drug-free awareness program, require each employee to notify the Academy of any criminal conviction for violations occurring in the workplace, and impose sanctions

or remedial actions for convicted employees. As a result of the Anti-Drug Abuse Act of 1988, a court of law may suspend or terminate an individual's eligibility for federal benefits, including student financial assistance, if that individual is convicted of certain drug offenses. The Drug Free Workplace Act requires you to notify your supervisor if you are convicted of any workplace-related criminal drug violation. You must notify your supervisor within five (5) calendar days after the conviction. Failure to report a conviction may be grounds for dismissal. Grantees, whether the Academy or individuals, must report in writing to the contracting or granting agency within ten (10) calendar days of receiving notice of the conviction.

Possession can include merely allowing drugs to be kept in one's room, car, or locker even though the drugs are owned by someone else.

** The court may order any person convicted of possession, furnishing, or trafficking to pay a fine in an amount up to twice the pecuniary gain he/she derived from the crime or to pay a fine equal to the value, as of the time of the offense, of the drugs involved in the offense.

*** Please note that the state of Maine had not yet completed the process of updating penalties for possession of marijuana after the passage of a voter referendum decriminalizing the use of small amounts of marijuana and this report was provided to the community during the reporting year of 2016. A new notice will be sent to the MMA community once the penalties are finalized.

NOTE: State law allows for forfeiture of motor vehicles used in the commission of drug-related crimes.

Federal Drug Offenses

The criminal offenses most commonly charged under the Federal Controlled Substances Act involve the knowing, intentional, and unauthorized manufacture, distribution, or dispensing of any controlled substance, or the possession of any controlled substance with the intent to manufacture, distribute, or dispense. Federal law also prohibits the knowing, intentional, and unauthorized creation, distribution, dispensing, or possession with intent to distribute or dispense a “counterfeit substance.”

Simple possession without necessarily an intent to distribute is also forbidden by federal law and carries a penalty of imprisonment or a minimum \$1,000 fine. Furthermore, “attempts” and/or conspiracies to distribute or possess with intent to distribute controlled substances are crimes under federal law.

Specific drug crimes carry greater penalties, including:

- the distribution of narcotics to persons under 21
- the distribution or manufacturing of narcotics near schools and colleges
- the employment of juveniles under the age of 18 in drug trafficking operations
- the distribution of controlled substances to pregnant women

The penalties for violating federal narcotic statutes vary considerably. The penalties may be more harsh based on three principal factors: prior conviction for a felony drug offense, the classification of drug and the quantity of drug involved.

*With the exception of simple possession charges which result in up to one year imprisonment and/or a fine, maximum penalties for narcotic violations range from 20 years to life in prison. Certain violations carry mandatory *minimum* prison sentences of either 5 years or 10 years. Harsher penalties will be imposed if a firearm is used in the commission of a drug offense. If a drug offense results in death or serious bodily injury to an individual who uses the drug involved the penalties are also more harsh.*

Anabolic steroids are controlled substances. Distribution or possession with intent to distribute carries a sentence of up to five years and a \$250,000 fine.
