

## **Utility Worker – Lifeguard**

Lifeguards protect the safety and well-being of each person using the aquatic facility by enforcing all rules and regulations. Lifeguards will assist with first aid/emergency situations and activate the safety plan as needed. They are also responsible for facilitating a fun, safe and welcoming environment for users.

### **General Duties:**

- Protect the safety and wellbeing of each person using the aquatic facility. No other duty should jeopardize this responsibility.
- Promptly enforce all rules and regulations. Know and understand all safety procedures.
- Provide participants with program, swimming, and water safety skills information.
- Provide first aid in emergency situations.
- Open and close the pool for your shift.
- Respond to injuries and assist in immediate first aid and proper emergency procedures.
- Provide a welcoming, inclusive environment for staff and participants.
- Test water quality at the beginning or end of your shift.

The statement above reflects the general duties considered necessary to describe the core functions of the job and shall not be construed as a detailed description of all work requirements which may be inherent to the position

**Requirements:** American Red Cross Lifeguard/ FA/ CPR/ AED.
