GA Layout

Overview

CAVALIER is an extremely nice example of the highly regarded classic aft engine room Hatteras 64. A 4 stateroom 3 head layout with a full beam master, large saloon, and on deck galley allow for easy living aboard. A pleasantly large aft deck, full walk around side decks, and a huge flybridge make her one of the easiest yachts to get around. The massive full beam aft engine room underwent a re-power in 2007 with reliable Lugger main engines and new transmissions in 2015. Additional features include underway stabilizers, a powerful proportional bow thruster, updated electronics, and numerous thoughtful upgrades during the past 9 years of ownership. CAVALIER should be atop any classic live-aboard yacht buyers list.

Key Features

- Repowered with Lugger engines and ZF transmissions
- 4-stateroom / 3-head layout
- Full walk-around side decks
- Large, enclosed, air-conditioned aft deck
- Expansive flybridge with large 2500lb tender davit
- Updated interior
- Ideal live-aboard opportunity

Notable features and upgrades

- Repower with (2) 600hp Lugger 6140 engines
- Generators replaced with (2) 20kw Northern Lights
- Fully-updated, on-deck Galley
- Bow Thruster with adjustable output
- Naiad analog stabilizers UPGRADED to digital Naiad MultiSea II
- Full exterior paint
- Teak and holly soles throughout interior
- Stabilizers dropped and serviced March 2025
- Ability to run on-plane or very efficiently when hull-down

Accommodations

CAVALIER features a phenomenal arrangement plan. Entering the saloon through the double teak and glass doors from the large covered aft deck, you find the entertainment center to starboard aft, two large easy chairs and an aft facing sofa forward. A large, curved screen TV is mounted on the forward bulkhead and large port and starboard windows allow for abundant light. Port forward is a stairwell to the guest staterooms where you find the full beam owners' stateroom forward and twin matching guest staterooms aft. Back in the saloon, walk forward into the generous galley and then on into the pilothouse. There are side deck access doors to both port and starboard as well as a customized internal ladder to the flybridge to allow for easier access than what was standard. Stairs to the forward stateroom / crew quarters are to starboard. The full height walkaround engine room is accessed via a door on the port side deck aft.

Salon

- Samsung curved 60" TV (2015)
- Klipsch stereo system (2015)

Broker Remarks

CAVALIER is a rare offering on today's brokerage market. Her previous owner has enjoyed her seasonally in Palm Beach and Key West for the past 9 years as a Winter liveaboard. She has always been crewed and maintained without regard to cost.

CAVALIER has been donated to the Maine Maritime Academy and is now offered through a multi-year lease/charter with purchase option, making her a unique and advantageous opportunity for interested parties.
