Description

Wild Rose has been donated to Maine Maritime Academy and is available on a very attractive charter program with option to own. Please reach out to the listing broker to get more information about this impressive yacht.

The 36z is one of the most popular MJM models; designed by Doug Zurn and built by Boston Boatworks with high-tech post-cured epoxy construction the 36z is fast, efficient, comfortable and easy to maneuver. *Wild Rose* has all of the preferred 36z features: walk-around center island berth, separate stall shower, and walk-through swim step transom. These features work together to make it one of the most versatile boats in her size range: perfect for couples cruising or day boating. Her Yanmar diesels are low hours, and the preferred propulsion package on this MJM model: smooth shifting, joystick docking and shoal draft friendly drives. *Wild Rose* has been lift-kept for most of her life until now; she is well maintained, highly upgraded and shows very well. Upgrades include:

- New pilothouse and helm seat cushions
- New Raymarine Axiom Pro touchscreen chartplotter
- Upgraded Optimus station keeping (same as Volvo DPS or Mercury Skyhook)
- Recent Yanmar service to engines and drives
- Custom carpets and bedding

Wild Rose is in the water, on the dock in Mystic, CT and can be seen by advance appointment. She is in impressive condition, a showing will not disappoint.

Manufacturer Provided Description

The **MJM 36z** is a striking example of how modern boatbuilding technology can be married with classic styling.

This performance cruiser offers a unique blend of speed, efficiency, and comfort, making it an ideal choice for both experienced boaters and those new to the yachting lifestyle.

Key Features:

- **Performance:** Equipped with powerful yet fuel-efficient engines, the 36z delivers impressive speed and acceleration. Its hull design ensures a smooth and stable ride, even in challenging conditions.
- **Efficiency:** The boat's focus on fuel economy is evident in its design. Advanced engineering and hull shape contribute to its remarkable range.
- **Comfort:** The interior is thoughtfully designed with both function and luxury in mind. The cabin offers a comfortable space for relaxing or overnight stays, while the cockpit is perfect for entertaining guests.
- **Versatility:** Whether you're cruising, fishing, or simply enjoying a day on the water, the MJM 36z can adapt to your needs.
- **Build Quality:** Constructed with high-quality materials and expert craftsmanship, the 36z is built to last.

In essence, the MJM 36z is a boat that redefines the cruising experience. It combines the thrill of performance with the comfort and amenities of a larger yacht, all wrapped in a stylish and efficient package.
