The van will meet the boat each evening upon return to Belfast to take guests back to the Fireside Inn.

Parking on the Waterfront for Personal Cars

There are two areas available for unlimited parking.

- Right on the waterfront to the right (looking out to the boat) and facing the Heritage Park are five spots.
- Take a right on Front Street as you approach the public landing and go two hundred yards. On the left is a sign that says “Consumers Marina - Private.” Go down this drive. I have permission for our guests to park next to the floats stored there. There are ten or more spots at this location. It is a two-minute walk to the boat.

Please contact Capt. John Worth at 207-323-0407 with any questions any time about parking or departures. We will be leaving promptly at the listed times.
