

Regimental Uniform Measurement Worksheet (Female)

PLEASE DO NOT GUESS YOUR MEASUREMENTS

Your uniforms are a financial investment, so we want to be sure that you get the right size & the best possible fit. Good measurements helps us do that. The video link below may be helpful to you.

GUIDE

Bust: With arms relaxed down at sides, measure over the fullest part of your chest, keeping tape parallel to the floor.

Waist: Measure around your natural waistline; keep your measuring tape comfortably loose.

Hip: Stand with heels together. Measure around the fullest part of your hips.

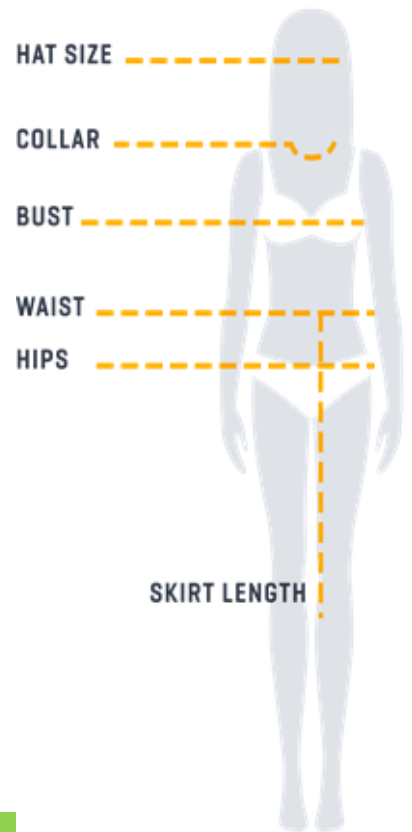

Outseam: Measured from the top of the waistband, down the side to the bottom of the hem.

Inseam: Measure standing from the crotch seam to the desired length.

Collar/Neck: Measure the circumference of the neck by keeping one finger between the measuring tape and the neck itself.

Arm Length: Stand with arms relaxed. Measure from the bone in the center of the back of the seam, and continue around the elbow to the wrist bone.

Hat Size: Measure the circumference of the head.
