

## **Independent (Non-Regimental) Student Suggested Packing List**

Wondering what to bring with you to Maine Maritime Academy? Check out our suggested packing list below. While this list is not all-encompassing, it's a good starting point. If you have any questions as you begin your packing, please feel free to contact Residential Life by emailing [housing@mma.edu](mailto:housing@mma.edu). We're happy to help!

**NOTE:** Regimental students should refer to the regimental packing list as not all items on this list are permitted by the Regiment of Midshipmen.

### **Suggestions On What To Bring**

It's important to note that less is more when it comes to packing – especially for your first semester on campus! Students almost always overpack and end up giving items back to family to bring back home. We strongly encourage you to coordinate with your roommate(s) on who might be bringing what shared items for the room to minimize duplicate items being brought.
