

Regimental Student Packing List

April 2025

Upon arrival at MMA students will check in with multiple offices across campus. Prior to arriving, regimental students should have completed several actions. One of these actions is submitting your [uniform fitting sheet](#) (by the first week of May). This allows the Bookstore to have all your necessary RPT items ready for pick up at check-in, as well as the subsequent issues throughout the fall semester.

With the arrival of the *NSMV State of Maine* in Castine in the summer of 2026, the current working plan is for all new Regimental students to reside aboard the ship during Regimental Preparatory Training (RPT) and Midshipman Under Guidance (MUG) Month, and then move into Curtis Hall. This plan is contingent upon students being able to safely travel between the waterfront and *NSMV State of Maine* amid the ongoing pier project, and on the pier project not impeding safe egress from the vessel. While this housing arrangement differs from recent years, it represents a return to standard operating practices for RPT and MUG Month.

If the pier renovation project does not allow students to safely reside on *NSMV State of Maine* during RPT and MUG Month, students will move directly into their room in Curtis when they arrive on campus in August.

When packing for check-in, you should separate the items you bring to MMA as directed below – some items for RPT and some items for after RPT (MUG month and Academics). If you have any questions, contact LCDR Kelly Gualtieri at Kelly.Gualtieri@mma.edu
