DEDICATION

On a hot August day in 1975, 228 members of the class of 1979 converged on the little town of Castine, which would be their home for the next four years. For most it was their first steps into the military life style. At that time we were the largest class ever to enter the Academy.

We have lived in this environment and for the most part by its rules, but by the ways of this institution our class was slowly cut back to the 146 men destined to graduate.

With the changes of today's society and the changes of the Academy, we do believe that we are the last group entirely made up of men to graduate from the Academy. We have been tagged the letters L.C.W.B.. And with that we dedicate these pages to the CLASS OF 1979.

CLASS OF 1979

28 April 1979

To the Class of 1979:

Congratulations and best wishes to each and every member of the graduating class of 1979!

You have successfully completed four years of intensive study which has prepared you to take your place in the maritime industry of the United States. The career you have chosen is an honorable one which will be of ever increasing importance to your country in the years ahead.

We at Maine Maritime Academy are pleased to have had the opportunity to be instrumental in your education and development. As you leave Castine it is our hope that you will take with you the thought that the Academy will always remain a port to which you can return to renew old acquaintances or to pursue advanced maritime skills.

Your alma mater, which the Academy has now become, will continue to grow. The success of this goal will depend greatly upon the support and encouragement provided by you and your fellow alumni. Now that the formal part of your involvement with the Academy has ended, I urge you to establish an active and lasting relationship with the institution through your alumni association. In this manner you can participate and take pride in the continued growth of Maine Maritime Academy.

I extend to you a warm adieu with a sincere hope that your life may be complete with good health, happiness, calm seas and following winds.

Castine Horizontal Ascent Team

It was a cold and wintery day when these three mates (?) Attempted the feared crossing of the DASH, RAPID memorial courtyard.

Haywood, Smel and Vinnie obviously faking overconfidence before the Feat!

Vinnie goes about the climb in his typical Bass-Ackwards way.

Smel has no difficulty overcoming the initial ascent.

They approach mid-station and begin to ascend the south walkway.

Oh no! Haywood slips facing certain Death after being attacked by a diving Pink Flamingo.

While Smel and Haywood recover from the fall, Vinnie sees his chance to sleeze ahead, making it to the top first.

Smel quickly takes up slack, preventing a death defying plunge back to the quarterdeck, as Vinnie maneuvers out of the path of falling objects.

Buzzed from the extremely high altitude, Smel, Haywood, and Vinnie rejoice with their thrill of victory upon reaching the summit.

This book is a collection of memories of our past four years, some good and bad, yet all will be remembered. There were three members of our class who are no longer with us that will always be part of those memories. All were great classmates, dedicated to having a good time all the time, which is the true definition of a midshipman.

Al, Chuck, and Keith were good friends to those who knew them. When they left, a little part of us was taken with them. But the memories of these fine gentlemen will always linger on.

Hi Mom!

2 Corinthians 3:17
Philippians 2:2

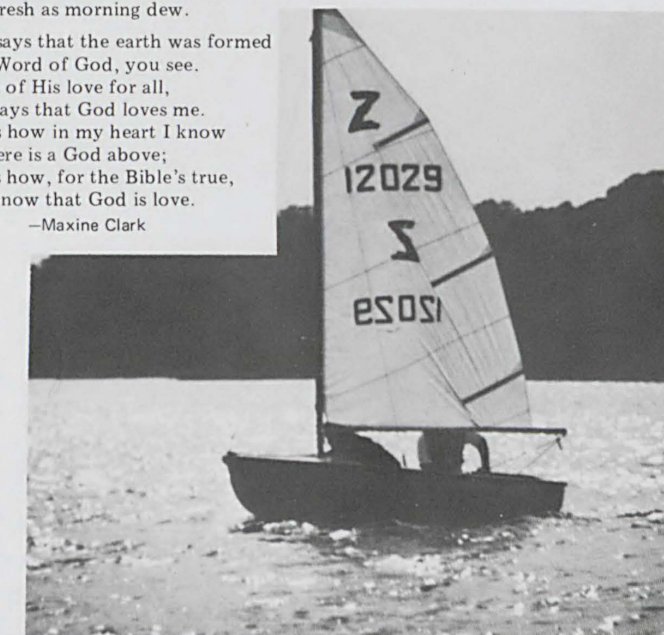

How Do I Know There's A God?

How do I know there's a God above
Who made our earth below?
How do I know that He is love?
Well, this is how I know:
I hear His voice in the whispering wind
As the west wind breezes blow.
I see His art on the mountain peaks
That are crowned with winter snow.
I see His love in the sopping rain
That gives life to growing things.
I feel His love on a bright spring day
When I hear a robin sing.
I see His hand in the speckled sky
When the stars shine out at night.
I feel His warmth in the summer air
When the day is long and light.
His power is proved in the lightning flares,
And when thunder sends its roar.
His greatness swells as the ocean waves
Splash and crash along the shore.

His beauty spreads as the springtime comes
And blossoms pink and white
Make their debut, and the flowers bloom
Into colors warm and bright.
I see Him in every dawning glow
When the sun opens its eye.
His name is written in every wisp
Of the sunset's flaming sky.
The earth in orbit around the sun
Is the proof of higher power;
The moon obeys its orbit path
And keeps shining every hour.
As nature moves and performs her deeds
And reveals that God is above,
I know, as plants reaching for the sun,
That my soul longs for His love.

I see Him in every child that's born
As he clings to love and life.
I feel Him in every rapturous song
And in all that is good and right.
I see His love on the pages fair
Of the Bible old, yet new;
Its words though written so long ago
Are as fresh as morning dew.
The Bible says that the earth was formed
By the Word of God, you see.
It also tells of His love for all,
And it says that God loves me.
And that is how in my heart I know
That there is a God above;
And that is how, for the Bible's true,
That I know that God is love.

"A new commandment I give you: Love one another. As I have loved you, so you must love one another. All men will know that you are my disciples if you love one another."
John 13:34-35

Jesus answered, "Everyone who drinks this water will be thirsty again, but whoever drinks the water I give him will never thirst. Indeed, the water I give him will become in him a spring of water welling up to everlasting life." John 4:13-14

That if you confess with your mouth, "Jesus is Lord", and believe in your heart that God raised Him from the dead, you will be saved. For it is with your heart that you believe and are justified, and it is with your mouth that you confess and are saved. As the scripture says, "He who believes in Him will not be put to shame." For there is no difference between Jew and Gentile — The same Lord is Lord of all and richly blesses all who call on Him, for, "Everyone who calls on the name of the Lord will be saved."

Romans 10:9-13

A strong wind was blowing and the waters grew rough. When they had rowed three or four miles, they saw Jesus approaching the boat, walking on the water; and they were terrified. But He said to them, "It is I; don't be afraid." Then they were willing to take Him into the boat, and immediately the boat reached the shore where they were heading. John 6:18-21

Thanks, Mom and Dad, for everything. I can never repay you but I guess that's the way it is supposed to be.

GARY F. TREWORGY

The Lord is my shepherd, I shall lack nothing.
He makes me lie down in green pastures,
He leads me beside quiet waters,
He restores my soul.
He guides me in paths of righteousness
for His name's sake.
Even though I walk through the valley of the shadow of death,
I will fear no evil,
for you are with me;
Your rod and staff,
they comfort me.
You prepare a table before me
in the presence of my enemies
You anoint my head with oil;
my cup overflows.
Surely goodness and love will follow me
all the days of my life,
and I will dwell in the house of the Lord
forever.

Thanks to that special lady, my Mom, who's
inspiration and way of life made these four
years possible. Although she didn't see this day
come, I'm sure she knows I made it. Thanks to
the rest of the family for their support and
understanding.

Welcome back my friends to the show that never
ends. I am so glad you could attend.
Sit down! Sit down!
The greatest show in Heaven, Hell, or Earth, it's
Rock and Roll ...
Right before your eyes, we'll pull laughter from the
skies and you'll laugh until you cry. Sit down, Sit
down We are about to start.

"IN THE INTERIM"

I came here an individual
I leave as an individual
In the interim I have succumbed

I came here a boy
I leave as a husband, father, and man
In the interim I have grown

I came here wondering, of Stars and Ships
I leave realizing how much I still must learn
In the interim I've acquired a license to pursue

I came here blind to God's Love
I leave, knowing Christ as Savior
and Friend
In the interim I've found Eternal Joy

Whatever may be said of these four years
I can't complain

Thank you Lord, You've given me
Parents generous with Love
A wife to share each gift and need
Friends who've helped me cope
But over all others
Thank you for my Grandmother

"Gouda you do?"
Holland, 1978

Karl A. Menninger:

When a trout rising to a fly gets hooked and finds himself unable to swim about freely, he begins a fight which results in struggles and splashes and sometimes an escape. . . . In the same way, the human being struggles . . . with the hooks that catch him. Sometimes he masters his difficulties; sometimes they are too much for him. His struggles are all that the world sees, and it usually misunderstands them. It is hard for a free fish to understand what is happening to a hooked one.

DRIFTWOOD

Old men, like driftwood from the sea
cast up in heaps along the shore.
Bespeak missed opportunities
and tell of conquests never known.

Chance passers-by would scarce observe,
these gnarled snags of former groves.
Their days of glory passed and gone,
their plans and goals like fallen leaves.

And even yet a wandering lad, in
scuffling through this dismal site,
might chance to find a twig, a bough;
a lesson learned, a goal defined.

But lads grow old and oft as not,
misuse of their gifts and lessons learned.
And drift to sea with tidal whim
to join the driftwood on the shore.

WANTED

NAME: (Last Name First) NOYES, DANIEL
FOR: Criminal Insanity
ALIAS: Dan, Dano, Tardan, Ignorant Fisherman,
Dan-Ships-Club-Noyes, Deckie Dan, No-Yes
DESCRIPTION: HEIGHT: 6' 0" WEIGHT: 180#
EYES: Brown HAIR: Black
RACE: Caucasian COMPLEXION: Ruddy
SCARS, TATTOOS, OTHER: Sometimes wears only
loin cloth and/or cape.

COMMENTS: On August 23, 1975 Daniel Noyes escaped civilian life and has been ruthlessly torturing the townspeople of Castine, Maine, where he is believed to be disguised as a Midshipman at The Maine Maritime Academy there in Castine. In several documented cases he has abducted his victims and actually subjected them to uninterrupted hours of "Noyesian Philosophy", (a form of Anti-Thinking). This torture subsequently caused the complete and total destruction of the victims psychological faculties, including irreparable damage to their powers of reasoning and motor-control. At this time none of the victims have yet been able to return to normal life, and it is doubted if they ever will be able to. Noyes is dangerous and will stop at nothing to get what he feels is necessary.

WARNING: THIS MAN IS BELIEVED TO BE ARMED AND DANGEROUS. IF YOU HAVE REASON TO BELIEVE YOU KNOW OF HIS WHEREABOUTS OR YOU THINK YOU HAVE SEEN THIS MAN DO NOT ATTEMPT ANY ACTION ON YOUR OWN. INSTEAD CALL YOUR LOCAL POLICE, STATE POLICE, OR F.B.I.. Any statements you make with regard to this will be held in strict confidence. Your help is appreciated, Thank you,

Helping develop earth's resources to meet the world's needs.

People power.

United States Lines has the most modern equipment and facilities to help you move the goods: new terminals, fast ships, standard and specialized containers, wheeled chassis, electronic communications and computerized controls. But our real strength is our people afloat and ashore, the thousands of dedicated men and women behind the machines. They're the best in the business and they make it all happen — smoothly, economically, dependably.

It all adds up to Service with a capital S: Our Tri-Continent Container Service that saves you time and money on shipments to and from anywhere in Europe; the U. S. East and West Coasts; Panama; Hawaii; Guam and the Far East.

Plug yourself into our people power. Call your nearest United States Lines office and ask for a free cost analysis of your shipping needs.

congratulations and express our hope that
you, too, will participate in the further develop-
ment of the State of Maine. The fresh ideas,
energy and enthusiasm of your youth are vital
in creating new opportunities and in helping
to make our great State a better place in which
to live, work and play.
