

Trick's End 2016

TRICK'S END

2016

Dedication

The 2015-2016 Trick's End Yearbook Staff would like to dedicate this year's edition to Dean of Students Deidra Davis, for her upcoming 20 years of service to the Academy.

Deidra Davis started at Maine Maritime Academy in 1996 as the Women's Basketball coach. As the first female coach at MMA, she built the women's basketball program from the ground up. In her 5 years as a coach, she led her teams to 4 NAC Championships and one NAC tournament. In 1999, Dean Davis also established the Women's Softball program and coached the team for two seasons.

Dean Davis has since been a member of the Financial Aid staff and joined the Department of Student Life in 2004 as the Dean of Students. Through her various roles at Maine Maritime Academy, she has been a tireless supporter and advocate for our students; the Yearbook Staff and the student body as a whole are forever grateful!

OFFICE OF THE PRESIDENT

TO THE CLASS OF 2016

Every year is special at Maine Maritime because of the great students, employees and programs we have. We are all very fortunate to be part of an endeavor that is true community in every sense of the word. We genuinely care about one another, and we earnestly support our individual and common successes.

We also gather and comfort one another when we endure a mutual loss. This year will be remembered in part by how we sustained one another with the trying news that we lost to the sea friends, colleagues and alumni. We did so by recognizing how we best honor those we lost. We honored them by continuing to commit to the excellence they bravely pursued. We honored them by continuing to dedicate our diligence to that which was their passion.

Because of Maine Maritime Academy's size and small coastal town surroundings, we have the advantage of a closer, more personalized student experience. I have had the good fortune of getting to know many of you, and as the years have gone by, I have watched you grow into competent and confident young men and women with sound values who we are all proud to call alumni.

As you leave us, you will join the ranks of thousands of Maine Maritime Academy alumni who work all over the world. At sea as on campus, we are shipmates. We are bonded by pride and committed by resolve. We are the proud – and strong – members of the very special community that is Maine Maritime Academy.

On behalf of the faculty, staff, and trustees, I wish you happiness and success and a future filled with achievement, prosperity and service to others.

Sincerely,

Dr. William J. Brennan
President

MAINE MARITIME ACADEMY

Pleasant Street / Castine, Maine 04420 / 207-326-2220 / mainemaritime.edu

COMMANDANT OF MIDSHIPMEN

Dear Class of 2016,

It has been my distinct pleasure to spend the last four years with you. Watching you arrive as Freshmen, unsure of what your experience at Maine Maritime Academy was going to be. Over the ensuing four years, you have embraced what it is to be Shipmates and Maine Maritime Academy Mariners. Your class has been an integral part of the Academy Campus and we are all glad that you chose to come to MMA and you will be missed.

As you embark on your professional careers, the world is in a rapid state of change. Don't let that dishearten you. Change means opportunity, if you are open to it. The industry, and indeed the world, needs leaders and you have the ability to fill some of that need. Don't be afraid to step forward, take responsibility, and do the right thing.

Graduation serves to close this chapter of your life, but don't forget where you came from. The faculty and staff all look forward to seeing what you accomplish in your careers so please keep in touch. As always, we continue to stand-by to offer assistance when asked.

Sincerely,

Captain Nathan Gandy
Dean of Maritime Education
Commandant of Midshipmen

MAINE MARITIME ACADEMY

Pleasant Street / Castine, Maine 04420 / 207-326-2220 / mainemaritime.edu

STUDENT GOVERNMENT ASSOCIATION

Dear Class of 2016:

YOU did it! Congratulations on your joyful achievement! Graduating from college is a major life accomplishment and whether you are an undergraduate or a graduate student, you should be proud. It is a stepping-stone toward great successes in the years ahead. You are laying the foundation for a life that not only betters you, also your family, and in a larger context, others around you.

Your journey thus far may have seemed daunting as you coped with rigorous course loads, or faced other worries that sometimes put your graduation in doubt. Through all the hardships, you remained focused to your goal – a symbol of your determination, your effort and the value you place on your Mariner education. As you prepare to embark onto the next phase of your life, do not forget those who have helped you along the way, and the school that provided you with excellent education. You are joining extraordinary network of alumni. In the future, you may face many more obstacles, but you are prepared to lead with excellence. Promise yourself that you will keep alive the finest of your core values and traditions that you’ve developed during your time at MMA.

As Jimmy Dean said, “You can’t change the direction of the wind, but you can always adjust your sails to reach your destination.” You are ready to go out in the world and make a difference. In keeping with the traditions of Maine Maritime Academy, we expect no less from you. Return to campus often, recall your studies, and reflect on your achievements. Be proud in knowing that you are part of a great heritage.

Again, congratulations Mariners!

Sincerely,

Edison T. Ma
President, Student Government Association

CLASS OF 2016

To the Class of 2016,

I would first like to congratulate you on graduating from one of the top colleges in America. Our time here has not been easy in any way. From the regiment to physics, athletic preseasons to Coast Guard exams, we have been challenged time and time again. Many of us came here straight from public Maine high schools, ignorant of the real world and the wonders it holds. Through training cruises, summer internships, and cadet shipping experiences, we have traveled the globe and have seen some of what this crazy world holds. We saw things we had only seen on TV, listened to languages we had never heard of, and did things we never dreamed that we were capable of.

But, most of all, we have joined the family of Mariners. We may be a strange group, and have more than a few rough edges, but there is no group I would rather be a part of. As Mariners we are inseparable, through good times and especially through bad times. So be confident that whenever you go in your life, there is a Mariner out there with you, and come hell or high water, you will never stand alone. It does not matter where you came from, all that matters is that you ended up here. We are all part of the Maine Mafia now.

I wish you the best of luck in all of your future endeavors. I am proud to be graduating with a group of people as talented as you. I hope that you never forget the experiences you had, and the people you met here at Maine Maritime. Always remember the countless people who helped you get to where you are today and let us never forget the place that gave us a foundation to grow.

Sincerely,

Taylor Ploch
President, Class of 2016

Regimental Preparatory Training

Regimental Induction Ceremony Weekend

NROTC

Since its inception in 1972, the Naval Reserve Officer Training Corps (NROTC) unit of Maine Maritime Academy has commissioned over 700 men and women of the highest caliber into the United States Naval Services. Their journey begins freshman year when they report for the annual Navy Indoctrination period. Throughout their academic careers, the young midshipmen are challenged in numerous ways including ample physical training as well as being tasked with one of the numerous staff billets. With all of that hard work, there comes time to play; the NROTC students' recreational fund helps sponsor several events throughout the year, including Dining-In and the annual Navy and Marine Corps Ball. Although the four years these students spend at the Academy are certainly demanding, they graduate prepared to face the even more demanding task of leading the nation's young men and women aboard ships, submarines, and aircraft, or within the United States Marine Corps.

Commanding Officer:
Captain Timothy Cooper

Midshipmen:

I would like to thank my parents for everything they have done. I wouldn't be where I am today without them, they gave me the opportunity to go to school and achieve my dreams. I would also like to thank my grandmother for always supporting anything I choose to do. My family has given me the support and strength I needed to make it through the last four years. I would also like to thank my girlfriend Jordan who has been there for me every step of the way.

Matthew LaFlamme

Dear Matthew,
Congratulations on this very happy day. We are all
very proud of you and this is just the beginning of a
lifetime of adventures and success. Always
remember that you are braver than you believe,
stronger than you seem and smarter than you think.
Love you always, Mom, Dad, Ga, Papa, Aunt Holly,
Uncle Jack, Aunt Heather, and Uncle Aldis.

"Twenty years from now you will be more
disappointed by the things you didn't do than by the
things you did. So throw off the bowlines. Sail away
from safe harbor. Catch the trade winds in your sails.
Explore. Dream. Discover." - Mark Twain

Anthony Scenna

"The future belongs to those who believe in the
beauty of their dreams." - Eleanor Roosevelt
So very proud of you! Love Mom

Friends and Family, thank
you for all your love and
support these past four
years. We could not have
done it without you!

Class of 2016

remembering EL FARO

Louis Champa Jr. | Roosevelt Clark | Sylvester Crawford Jr. | Capt. Michael Davidson '88 | Brookie Davis | Keith Griffin | Frank Hamm | Joe Hargrove | Carey Hatch | Michael Holland '12 | Jack Jackson | Jackie Jones | Lonnie Jordan | Piotr Krause | Mitchell Kuflik '11 | Roan Lightfoot | Jeffrey Mathias | Dylan Meklin '15 | Marcin Nita | Jan Podgorski | James Porter | Richard Pusatere | Theodore Quammie | Danielle Randolph '05 | Jeremie Riehm | Lashawn Rivera | Howard Schoenly | Steven Shultz | German Solar-Cortes | Anthony Thomas | Andrzej Truskowski | Mariette Wright | Rafal Zdobych

On Thursday, October 1, 2015 the cargo ship El Faro lost power amidst high winds in the eastern Bahamas and went missing with 33 mariners aboard. The crew included 5 members of the Maine Maritime Academy family: Mike Davidson, Class of 1988; Danielle Randolph, Class of 2004; Mitchell Kuflik, Class of 2011; Mike Holland, Class of 2012; and Dylan Meklin, Class of 2015.

As the U.S. Coast Guard began its search for the missing vessel, students, faculty, staff, and members of the MMA community around the world held hope for recovery of our brothers and sisters. We stood together in affirmation of hope and solidarity during a candle light vigil on that Tuesday, and continued to hold out hope. Messages from alumni and friends near and far supported us and gave us courage to face what the next day would bring: the suspension of the Coast Guard search and rescue mission.

On Friday, October 9, one week after the first reports of the disappearance of El Faro, the sound of Taps echoed across the MMA campus as students gathered to mark the remembrance of their fellow Mariners with the Eight Bell Ceremony.

Dylan, Mike, Mitchell, Danielle, and Mike, your watch has ended. You have been relieved; it is time for rest.

You are Mariners. Mariners Forever.

Launch Your Career at Electric Boat

For more than a century **Electric Boat** has partnered with the U.S. Navy to deliver submarines with the most advanced undersea capabilities in the world.

Recently, **Electric Boat** was awarded the largest contract in Navy shipbuilding history to produce an additional 10 Virginia-class submarines.

We currently have job openings with career-growth potential for creative and energetic people who want to apply their skills in the areas of nuclear submarine engineering, design and manufacture.

ELECTRIC BOAT is seeking engineering candidates with a minimum of a bachelor's degree in:

- Aerospace • Computer Science • Marine/Ocean
- Chemical • Electrical • Mechanical
- Civil • Naval Architecture

ELECTRIC BOAT offers an excellent salary and benefits package, including tuition reimbursement, relocation assistance, and an excellent 401K Plan.

How to Apply

Log onto our website, www.GDEB.com, and follow the "Apply Now!" link. Fill out your profile and upload your resume to begin viewing dozens of job openings. It's that simple!

Marine Engineers' Beneficial Association

H. Marshall Ainley
National President

Bill Van Loo
Secretary-Treasurer

The M.E.B.A. offers a diverse mix of maritime employment giving you a choice of where you want to work. Our contracts lead the industry with the highest paying jobs, most protective work rules and best benefits. The M.E.B.A. is always on watch to ensure our members are represented aboard ship and in Washington, D.C.
