Dedication

Arnie Grindle

The 2016-2017 Trick's End Yearbook Staff would like to dedicate this year's edition to Arnold "Arnie" Grindle. Arnie retired in November 2016, following the conclusion of his 19th football season as the Facilities Assistant & Equipment Manager.

Arnie Grindle started at Maine Maritime Academy in June of 1988, hired by Facilities as a Buildings and Grounds worker. From 1999 through 2001, Arnie also served as a fire instructor for the Spring semester Live Burn module of the Basic Fire Fighting course.

Arnie became a staple of the Athletics Department, not only because of his hard work, but because of his support of the student athletes and teams. Arnie's support will be missed - whether it was his game day preparations, a kind greeting in passing, or just being a familiar face in the stands. While we wish him the best in his retirement, we hope he won't stray too far, as MMA is a part of his family: his daughter, Sarah, and wife, Pamela, are both alma maters, and Maine Maritime is a place of work for his wife Pamela, brother Christopher, and sister-in-law Deborah.

The Yearbook Staff and student body as a whole thank you!

Office of the President

Congratulations to the Class of 2017!

You have stayed the course and I am proud of all of you. You have attained your goals and the future is yours. Have courage to pursue your dreams and cherish the friendships that you've made. I know you will look back upon your time at Maine Maritime Academy and find it to have been both fulfilling and meaningful. I am confident that as you go out into the world, you will find that the skills we helped develop in you will serve you well no matter where you go or what the future holds for you.

I am privileged to be part of this community, one that is small enough that I could get to know so many of you personally. I have watched you grow into competent and confident men and women with tremendous potential and I am anxious to learn about your future endeavors.

As you leave us, you will join the ranks of thousands of Maine Maritime Academy alumni who work all over the world. I trust you will strive to make the world a better place and that in so doing, you will also remember those who come after you. Lend them a helping hand as you were helped by those who came before you. As you begin this new chapter in your lives, please always bear in mind that 'standard of living' is based upon income earned, and 'quality of life' is the enjoyment of all the moments in between your accomplishments.

I wish you success in your careers, and even more, I wish you a happy life overflowing with friends, family and experiences and I hope that you relish each moment of the wonderful adventures that await you.

Sincerely,

Dr. William J. Brennan
President

Commandant of Midshipmen

Dear Class of 2017,

When I met with many of you as you began your time here at Maine Maritime Academy, I warned you that your time here would pass quickly and I imagine you are just now realizing the truth of that statement. In your short time here, you have been faced with adversity that would have ripped apart a lesser group. Instead, the trials that you faced as a class bonded you in ways you are only beginning to understand. Take time to look around yourself before you leave Castine to embark on your professional careers. Take stock in these bonds of friendship and hold on to them as you scatter to the corners of the globe.

If you will permit me to offer one last piece of advice as you close this chapter and begin the next, I hope you will always keep an open mind. Listen to understand, not to refute. But most importantly, never forget where you come from because we will always be here to help you when you need it. Seek out the alumni chapter wherever you end up and you will be amazed at the support you will find. Welcome to the Maine Maritime Academy Alumni.

It has been an honor and a pleasure to participate in the training that Maine Maritime Academy has given you. The faculty and staff all look forward to seeing what you accomplish in your careers so please keep in touch. As always, we continue to stand-by to offer assistance when asked.

Sincerely,

Captain Nathan Gandy
Dean of Maritime Education/
Commandant of Midshipmen

Student Government Association

To the Class of 2017,

Congratulations on your successful graduation from Maine Maritime Academy. You have achieved so much over the course of your time here that extends far beyond academics. You have enjoyed events, attended dances, participated in athletics, and even won championships. You have made friends, shared ideas, overcome trials, and grown together as mariners into well rounded citizens. You have become leaders in clubs, organizations, sports teams, planning committees, the regiment, and in our greater community.

As you each embark on your personal journeys, I want to encourage you to take the skills that you have learned and the character that you have built and continue to be leaders. Be leaders in the work place. Be leaders in your communities. Be leaders in all of your endeavors. But most importantly, be a leader in your life. Find your mountain, take the lead, and climb. And when you arrive, look around, reflect, give thanks, and give back. It has been an absolute pleasure to share in my MMA experience with you. I wish you the absolute best in all that you do.

Sincerely,

Rylee Knox
President, Student Government Association

Class of 2017

Dear Classmates,

I want to congratulate each and every one of you on your graduation from Maine Maritime Academy! I am honored to have served as your Class President and to be part of such an outgoing and hard working class.

After we go our separate ways, some of us will stay in touch and some will lose connection. As we move forward, let's recall often the friendships and bonds that we found during our time in Castine. Remember the friends that helped you through your capstone presentation and helped you study for Coasties, the ones that simply lent you a textbook, and the ones that were always willing to talk, no matter the circumstance. Each of these individuals helped you get to where you are now.

Jessica Park said, "The friends you make in college are the friends you will have for life, even if you don't talk for years at a time." Whether you are shipping out, planning to attend graduate school, or moving across the country for a job, as Mariners we are connected. Life leads us in different directions, but it is so important to stay in touch with the people that got us through, what many will recall as the best four years.

We began our college days with a plunge into Castine Harbor off of TS *State of Maine*. As we depart the Academy and enter the real world, let's not be afraid to jump in with both feet. We all have the knowledge and confidence to achieve great things.

I wish you all the best of luck in your future endeavors.

Sincerely,

Cristin Wright

Cruise 2016

Regimental Prepatory Training

NROTC

Since its inception in 1972, the Naval Reserve Officer Training Corps (NROTC) unit of Maine Maritime Academy has commissioned over 700 men and women of the highest caliber into the United States Naval Services. Their journey begins freshman year when they report for the annual Navy Indoctrination period. Throughout their academic careers, the young midshipmen are challenged in numerous ways including ample physical training as well as being tasked with one of the numerous staff billets. With all of that hard work, there comes time to play; the NROTC students' recreational fund helps sponsor several events throughout the year, including Dining-In and the annual Navy and Marine Corps Ball. Although the four years these students spend at the Academy are certainly demanding, they graduate prepared to face the even more demanding task of leading the nation's young men and women aboard ships, submarines, and aircraft, or within the United States Marine Corps.

To my friends, family and loved ones, thank you all for your support. The journey is long, and at times arduous; through the love and dedication to the success of others that makes you so incredible. I am beyond fortunate to have met many of you, at this small corner of the globe, and to have learned so much from such a great place. For that, I thank you all.

"And as I walked on I was lonely no longer. I was a guide, a pathfinder, an original settler." ~ F. Scott Fitzgerald, The Great Gatsby.

Tyler Smith

Congratulations, Tyler Smith! We are so very proud of you! Jay, Marjie, Janet, & Abby

Congratulations Timothy Carlisle

May your graduation be the beginning of many more wonderful achievements in your life. We are all so very proud of you

Timothy Carlisle

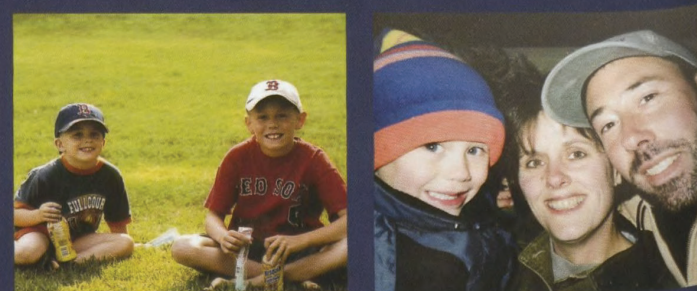

Jeff Ludden

Since the day you were born, you've always found ways to make us so very proud of you. In sports, school, and life, you have been such an inspiration and a son we are so proud of. We all love you so much and know you have a wonderful future ahead of you!

Love, Mom, Chris, Rachel and Josh

Mitchell Holman

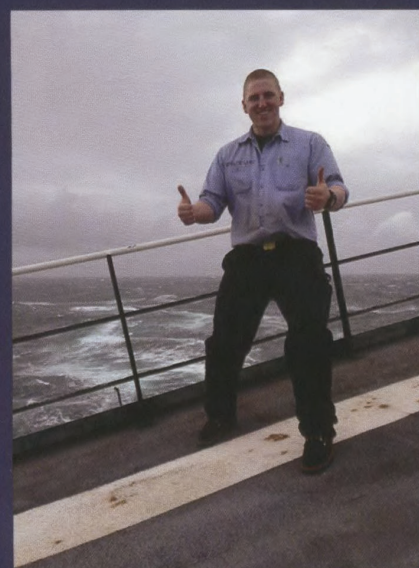

Dear Mitchell,

We could not be prouder of you and your accomplishments here at MMA. As you go into this life, remember that to the world you are someone, but to two someones you are the world. Never forget where home is.

All of our love, Dad and Mom

Jonathan Graveline

Jonathan - Success is the result of sincerity, hard work and dedication. Your graduation from Maine Maritime has made us so very proud as it is a sign of these eminent qualities in you. We are both extremely proud of you and are certain that many more steps of success await you as you carry on with this same momentum. We love you!!
Congratulations! Mom and Dad

Erin and Ryan Donlon

Congratulations, Ryan and Erin!

We are so proud of your achievements at MMA! You have battled significant challenges and have developed into terrific young men. We are confident that you will excel beyond Castine and make a positive difference in the world.

We are with you all the way!

Much Love,
Mom, Dad, Meghan, Sarah, Katie, Emily and Kieran

Lauren McKenna

Lauren-

In what seems like the blink of an eye, you've gone from being a preschooler who loved finding crabs on the shore, to what you are now - a strong, intelligent, hardworking, beautiful and passionate young woman that still loves to find crabs on the shore. May your journey continue to bring you happiness and success. We are all very proud of you.

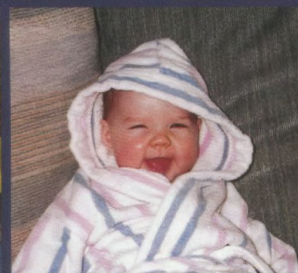

Our Love-
Mom, Dad, Frank, and Katherine

"Promise me you'll always remember: You're braver than you believe, and stronger than you seem, and smarter than you think."
~Carter Crocker

Cristin Wright

Cristin,

We are so proud of you! Where has the time gone? It seems like just yesterday we were bringing you to Sunshine Nursery School. Now, you are a senior at Maine Maritime Academy. You have worked so hard over the past four years. Being elected class president was just one of your many accomplishments since you started there. Always keep smiling! There are no words that could express how blessed we are to call you our daughter! Congratulations, we love you!

Love, Mom and Dad

William Andrews

You are one of the most amazing, resilient young men we know. We're proud to call you our son. Congratulations on this outstanding accomplishment. With love, Mom and Dad

Caleb Kilgore

Caleb,
You have come a
long way, we are so
proud of you!
Love, Mom and Dad

**Congratulations to the
Graduating Class of 2017!**

In Loving Memory of
Sherrylynn Lawry

SUBCOM

**TE SUBCOM CONGRATULATES
THE CLASS OF 2017**

TE SubCom is an industry pioneer and leading global supplier of undersea communications technology and marine services.
SAIL WITH US IN SEARCH OF NEW CAREER HORIZONS.
www.subcom.com

**Launch Your Career
at Electric Boat**

For more than a century Electric Boat has partnered with the U.S. Navy to deliver submarines with the most advanced undersea capabilities in the world.

Recently, Electric Boat was awarded the largest contract in Navy shipbuilding history to produce an additional 10 Virginia-class submarines.

We currently have job openings with career-growth potential for creative and energetic people who want to apply their skills in the areas of nuclear submarine engineering, design and manufacture.

ELECTRIC BOAT is seeking engineering candidates with a minimum of a bachelor's degree in:

- Aerospace • Computer Science • Marine/Ocean
- Chemical • Electrical • Mechanical
- Civil • Naval Architecture

ELECTRIC BOAT offers an excellent salary and benefits package, including tuition reimbursement, relocation assistance, and an excellent 401K Plan.

How to Apply

Log onto our website, www.gdeb.com, and follow the "Apply Now!" link. Fill out your profile and upload your resume to begin viewing dozens of job openings. It's that simple!
